All textbooks issued are the property of the Autauga County Board of Education and shall be retained for normal use only during the period pupils are engaged in the course of study for which the textbooks are selected.

Textbooks issued to pupils may be used in the same manner and to the same extent as though such books were owned by the pupil; except that the pupils must recognize their responsibility for the proper care of books checked out to them by observing the following practices:

- A) Keeping the book clean outside and inside.

ID PROGRAM INFORMATION AND CONSENT FORM

Program Background:

The Independent Decision (ID) Program, approved by the Autauga County School Board and administered by PASS: The Noble Idea, Inc. (PASS), aims to reinforce a positive drug free lifestyle by providing incentives to students in 7th through 12th grades who refrain from using drugs. Students who test negative for drugs receive an ID card that entitles them to discounts at participating local businesses and to program sponsored social events. Students participating in the program agree to undergo initial drug screening and periodic random follow-up drug testing. The ID program is voluntary. Once in the program, students remain until they complete their 12th grade year. **Students may discontinue the program at any time, with parental consent.** Students who withdraw from the program must relinquish their ID cards. Students under the age of 18 are permitted to participate in the ID Program **only** with written consent from the student **and** parent or legal guardian.

Drug Testing Procedure

All drug testing will be performed under the direction of Drug Testing Services, Inc. of Montgomery, Alabama. Students participating in the ID Program will be notified when to report to a designated place at his/her school site to provide a urine or saliva sample for the initial screening. The screening will be conducted in a confidential manner. If preliminary screening is negative, the student will receive the ID card within a few days of the screening. Students' ID Program files are locked and maintained at the PASS Office to protect confidentiality. To maintain the integrity of the program, random follow-up testing will occur periodically.

In the event of a positive test, samples are sent to a lab for analysis and review by a Medical Review Officer (MRO). The MRO then contacts the parent to determine if the positive screen is due to prescribed medication or illegal use. In the event of a positive test, either when initial screening takes place or when re-testing occurs, the school coordinator will notify the student and parent privately and the student will be asked to surrender the ID card until a negative sample is collected. A parent may challenge a confirmed positive result at his/her expense. The challenge test will be sent to a different laboratory.

It is important to emphasize that the purpose of the program is to reward positive, healthy behaviors. Students who are taking prescribed medications are encouraged to participate. Testing of drugs in the ID program is in no way an investigative tool of a law enforcement agency. Positive results will not result in criminal prosecution.

The Autauga County School System and PASS cannot guarantee that students participating in the ID Program will not share information with other students whether within or outside of the ID Program.

I have read the above information and have received a copy of this form. I may withdraw at any time.

I understand that by signing this form, I agree to participate in the ID Program Date _____
