

Bessemer City High School Credit Recovery & Credit Obtainment Program Summer 2018

REGISTRATION: A Summer Credit Recovery/Obtainment Program is available for students currently enrolled in grades 9-12 in the Bessemer City School System. All courses will be offered online.

***TUITION* NO COST**

A student with more than two absences, repeated and/or serious disciplinary infractions will be withdrawn.

Students are encouraged to complete the online *Credit Improvement Application* and return to their school counselor. The deadline for registering is **June 1, 2018**. Space is limited, so registration may not be taken after that time.

High School Credit Recovery and Obtainment courses will follow the established terms for ACCESS Virtual Learning summer courses (June 4 – July 27, 2018). Students should apply using the current *Credit Improvement Application* found on the BCHS website.

More than two (2) absences in a class may result in loss of credit. The principal must approve any additional absences. Although onsite class attendance is required, students may also arrange to work on assignments from home after class hours, if needed. All tests must be taken on the school campus.

The Bessemer City School System's policy and procedures will govern student discipline during this program. Repeated and/or serious disciplinary infractions will result in dismissal and loss of credit.
