*****No pencils that need to be sharpened please!** I will label student's pencils with their name and number. **Please be sure to get the 0.9mm lead (not 0.7mm).** They will keep one in their pencil pouch for homework and one in their desk for school work! This is a rule that I strictly enforce! These pencils are expensive but they are the BEST! Cheap pencils break easily and are thrown away on a daily basis. Your child uses a pencil ALL DAY EVERYDAY so it is very important for them to have one that writes well!
