Dear Families,

During this school year, our Elmore County School District is going through accreditation. You might ask yourself, "What does this mean for me?"Well, it means our school needs your help! We are asking parents to take a quick survey. You can find the parent survey link printed below, as well as on our school's website and Facebook page. The survey will ask questions related to you and your child's experience at Coosada Elementary School. This important feedback will give us data for our school. Once you have completed the survey, please complete the bottom of this paper, sign, and return it in your child's take home folder. Your child will receive a "Gotcha" when this paper is brought back.

If you are unable to complete the survey at home, we will have computers set up in the library during Parent Report Night (September 11th). You will be able to complete the survey during this day as well. Our last day for all surveys to be completed is Monday, September 11th.

Thank you for your assistance!

_____ Yes, I completed the parent survey.
