First Week of School

Starting kindergarten is such an exciting time. To help our students adjust to school, Madison City has developed a split schedule for the first 2 days of kindergarten. The girls will come to school Tuesday, August 7th. The boys will come to school Wednesday August 8th. All the students will come to school on August 9th and 10th. You will have to make arrangements for your child on the days they are not attending school for our staggered start. We want the first days of kindergarten to be as relaxed and carefree as possible. We are able to do this with the smaller class size.
