Revised 2/8/19 kclayton

Please note that blocks and terms are used only for sample purposes in the above chart. Courses cannot be chosen for specific blocks and/or terms.

Each student has twenty terms, fourteen of which are filled with required courses. Students may choose from 9 week, semester or year-long electives to fill their remaining six terms. PE & Survey of World Language is required, but you may request your preference.

Students should choose several alternates, making sure there are enough to match their elective choices term lengths.
