

## Registration FAQ for Rising 6th Graders

**1. How will I request my classes?**

*A counselor from Liberty will come to your school and help you input your course requests from your completed course request form. All course request forms must have a parent signaure.*

**2. Where can I find the course catalog?**

*The catalog is located on the liberty website at <http://lms.madisoncity.k12.al.us>*

**3. How will I know if I should take honors courses?**

*You should speak with your current teacher and counselor about their suggestions, have conversations as a family and make that decision.*

**4. Are Social Studies and Science classes for a full year?**

*No, each class is one semester. You will take one in the Fall and one in the Spring.*

**5. Are English/Language Arts and Math classes for a full year?**

*Yes, you will be enrolled in the same ELA and math classes for the entire year.*

**6. What is the P.E. requirement?**

*You are required to take one 9 weeks of a P.E. class (Indoor or Outdoor). If you want to take more than 1 nine weeks of P.E., you are welcome to request up to 4 classes of P.E. for one year.*

**7. What is the last day to make changes to my course requests?**

*March 15th*

**8. When will my student receive his/her schedule?**

*Parents and students will pick up their printed schedules at Open House on August 5th. You will also be able to access your schedule through INOW.*

**9. Can I change my classes after school starts?**

*If there are errors to your schedule, yes. For example, if a student requested honors math but was enrolled accidentally in standard math, we will fix those mistakes. If you are missing a core course (i.e. Earth and Space Science), we will fix your schedule.*

*If you simply want to to replace an elective or pick a different class, no.*

**10. Will I get all the classes I put on my course request forms?**

*We try our best to accommodate all requests but sometimes we are unable to give students everything they ask for; therefore, we use the alternative elective list on the course request form to fill the schedule. Because of time and class sizes, we are not able to guarantee all students will receive all course requests. Please list all of your alternative options.*

**11. If parents/guardians need more information, where can they get it?**

*There are several opportunities for parents to get all questions answered. The LMS website has a lot of information including sample course request forms under "Registration." We are hosting a Parent University on February 21 at 5:00 pm. There are groups sessions for parent/guardians with Coffee with the Counselor on February 25. You can also email Ms. Lateef the 6th grade counselor at [slateef@madisoncity.k12.al.us](mailto:slateef@madisoncity.k12.al.us).*
