REMINDERS:

Remember to use the carline to drop off and pick up students - doing so in the parking lot is not allowed.

To limit classroom disruptions, we ask that parents refrain from contacting students via cell phone during instructional time. Please call the front office if you need to get a message to your student.

Students who wish to ride the bus home with another student must bring a written note to the office. The office staff will call and verify the note. Notes that are not brought to the office in the morning will not be honored.
