Our students recently pledged acts of kindness, wrote those pledges on hearts, and then attached the hearts to The Kindness Tree as part of our focus on doing random acts of kindness. Students worked on creating the pledges and hearts with their Buzz Buddy class partners. Teachers also shared their favorite books on kindness with their students. With Spring just around the corner, this was a perfect time to plant the seeds of kindness and to watch the acts of kindness make The Kindness Tree bloom; however, as we all know, the growing season for acts of kindness is truly year-round.
