SUPERINTENDENT Roy D. Nichols, Jr., Ed.D.

August 18, 2010

Dear Parent/Guardians:

This letter is to inform you that Clark-Shaw School will be a peanut free school for the 2010-2011 school year. There are several students enrolled this school year that are severely allergic to peanuts and nuts. Strict avoidance of peanut and nut products is the only way to prevent a life-threatening allergic reaction. We need your assistance in helping us provide a safe learning environment for our students. Therefore, we are asking that you do not send any products containing peanuts, peanut butter, or nuts for your child's lunch or snack. The obvious food items include peanut butter and jelly sandwiches, peanut butter crackers, peanut butter cookies, peanut butter bars, and other products containing peanuts or nuts. Please encourage your child not to share food with other students to help decrease the risk of accidental exposure to food allergies.

Thank you for your support and assistance in helping protect the well-being and safety of the children at our school. If you have any questions please call the school nurse at 591-9389.

Healthy children learn better!

Wanda Hannon PhD, RN
Supervisor of Health Services

Kristie Threlkeld RN
School Nurse
