

SANTA MARIA HIGH SCHOOL

DAILY BULLETIN

Monday, October 15, 2018

GENERAL

- **Seniors**, all fundraising money and order forms must be turned in to the business office no later than **today**. Late forms and money will not be accepted!
- Attention OTCR Students: If you have been referred to make up credits in the OTCR Program, please see Ms. Olsen in Room 235 at lunch or after school today!
- Students, afterschool tutoring services are now available in the MMLC. Please bring your homework, essays and study guides and let us help you increase your grades! We are open Monday – Thursday from 3:00 – 6:00 pm.
- Hey Students: Tomorrow, October 16th is the last day to nominate yourself or a friend for a chance to make important decisions about our school. The elections for School Site Council and/or Shared Decision Making Committees will be held Thursday, October 17 during break or lunch in Ms. Goldin's room 221. See the ASB officers or Ms. Goldin for additional information. This is an excellent opportunity to make your voice heard and it looks fantastic on your college applications. This is your chance to be involved in important decisions that affect your school experience.
- It's horror night! FFA members come and check out our horror night meeting Wednesday, October 17, at 5:00 pm in the cafeteria. Enjoy some spooky games, good food and discover the fright with your friends!
- Powder Puff Football is a thing at SMHS! It looks like we have enough interest to also have a "JV league" with Frosh vs. Sophomores (not just juniors vs. seniors)! We are hoping to practice twice a month after 5:00 pm, so everyone can participate. All interested students are welcome and can be included. While only females will be able to play powder puff, we also have spots for coaching helpers, cheerleaders, water bottle guys/gals, etc. Everyone can participate. Everyone needs a permission slip/disclosure form. Please come by Ms. Turner's room for a form. You have one week to get them signed and turned in. Girl Power!
- Students, Squatober is in full swing! Project Teen Health is squatting with pumpkins through the month of October and earn prizes! Follow us on Instagram @ProjectTeenHealth or snapchat @PTH-CAPSLO for more information.

CLUBS

- Saints, are you interested in Science and Engineering? If so, the Society of Hispanic Professional Engineers will be holding their first after school meeting with SHPE students from Cal Poly this Thursday, October 18, after school in Room 360 (Ms. Eppley's room). Please come and join us for fun activities and have a chance to meet the Cal Poly Engineering Students! Food will be provided. Hope to see you there!

SPORTS

Santa Maria High School - Go, Saints!
