- ★ **Reminder: Term 2 ends on Jan. 22nd. All failing students or students with the potential to fail should have received a student support plan by this time. If a student has not received a student support plan, one should be created as soon as possible and the student should be given an adequate amount of time to complete the given task from the SSP.**
  - ★ **Help Protect our Tech!! All laptop carts should be locked by the classroom teacher before students begin to transition. No students should be in the hallway with a computer to take a test, complete an assignment, or take a break. Students will be sent back to class if they are seen in the hallway with their laptops.**
  - ★ **If you would like to support our school community and/or earn extra CSC points, come out this Saturday, Jan. 12th, to our Open House for rising 6th graders. See our Counselors for more information.**
  - ★ **When WE are in the halls and stairs actively engaging and encouraging our scholars, transitions are quicker, smoother, and most importantly SAFER. Please ensure that you are on your doors and duty post during transition periods.**
  - ★ **Students should receive at least two grades/every two weeks. Ensure that your gradebook is made UPDATED and “public” to allow students and parents to view current grades.**
  - ★ **Please submit announcements to the main office no later than 2:40pm. Announcements must be approved by Admin prior to being read.**
