

The Class of 2022 and their families are cordially invited to

Temple High School's Freshman Family Night

Date: November 5, 2018

Time: 6:00-7:30 pm

Location: Temple High School Cafeteria

Credits and Key information: Do you know what your child needs to graduate? Do you know who can help your child navigate through high school? Find out how Temple High School can help your student achieve their high school diploma and become employed, enrolled, or enlisted.

Social Media: As students use technology in the classroom more frequently it is important to understand cyber safety. This presentation will provide information about cyber safety, parents and their role in internet safety, and cyber bullying.

Dual Enrollment: Interested in earning college credit in high school? Find out about the requirements and steps needed to be part of our dual enrollment program at THS. Learn about college options and see if dual enrollment is right for your student.

Strategies to support your student: High school is a new adventure for both students and parents. We want to provide you with resources to navigate through this new adventure. Find out about programs our teachers are using in their classrooms, ways to check grades, and programs to help students succeed.
