School Dance 2:45-3:45

### Attendance Reminders

VRE recognizes the positive impact that regular student attendance has on student achievement. Every day a student misses school, they get behind and must make up missed learning and catch up with new learning at the same time. Every day a student is in school, they raise their chances of academic success.

- Students may be dropped off between 7:00 and 7:30 a.m. in the car rider line.
- Do not drop off any student at the front of the school before the end of car riders as there will be NO supervision and this is the bus lane.
- Students who arrive after 7:40 a.m. must be escorted into the front office by an adult. This is for the safety of your child.
- Students who are absent 3 or more consecutive days should provide formal documentation such as a doctor's excuse.
- Transportation changes must be made in writing.
- If a student must be checked out early, parents or any person checking out a student must be listed in the student's information in the office and must have a form of picture identification.
- Students may not be checked out after 2:10 p.m. unless it is an emergency.

If you have any questions, please contact the front office at 770-459-5762 or reference the student handbook. Thank you!

**Welcome to the VRE Wildcat Family!**

**Mrs. Anna Buttrill**  
5th Grade

"I am very excited to be joining the Wildcat family at Villa Rica Elementary! I am thrilled for the 2018-2019 school year and looking forward to a year of learning, fun, and adventures! I am happily married to my husband, Aaron Buttrill, and we were able to welcome our sweet baby girl, Raegan, into the world in July. As a graduate from Bowdon High School and being raised by two educators of Carroll County Schools, I take pride in the opportunity of becoming a teacher of our community. There is so much I am looking forward to in the new school year! Can't wait to meet you all!"

**Mrs. Shannon Shawley**  
4th Grade

"I am so excited to be joining the Villa Rica Elementary family for this upcoming school year! I have earned my Bachelor's Degree from Western Governors University in elementary education. My husband, Reed, and I have been married 20 years and have two children, Will and Kathryn, who attend Bay Springs Middle School. I love spending time with my family, serving in my church, and baking. I look forward to serving alongside the great team at VRE and doing something I am passionate about, teaching children."

**Mr. Matthew Adams**  
Kindergarten

"I am very excited to join Villa Rica Elementary and be a part of this great community. I am a lifelong resident of Carroll County, and I graduated from the University of West Georgia with a Bachelor of Science degree in Early Childhood Education. I enjoy reading, playing tennis, and learning new things. I am passionate about teaching and helping every child to learn and succeed. I cannot wait to start the new school year and join the great team at VRE!"
