News from Principal Cher Algarin

Dear DSES Panther Families,

Wow! It is hard to believe that the end of the school year has arrived! 10 months have passed very quickly! It has been such a wonderful school year and it has been a pleasure working with your child. The year's end always brings with it a tremendous sense of accomplishment. So many things have been accomplished this year and we are very proud!

Parents, please remind your child that even though GA Milestones testing is almost completed that instruction, school rules, and safety remains first and foremost. Teachers are continuing to work hard to preparing their students for the next grade level. In addition to strong instructional practices, there are quite a few fun activities on our master calendar to end the year. Field days are coming up in the next couple of days. End of the year celebrations and award days are being planned. Please be in contact with your child's teacher for specifics and details. Thank you for a wonderful 2017-2018 school year at Dorsett Shoals Elementary School.

On behalf of the staff, I would like to take this opportunity to wish you all a safe and happy summer.

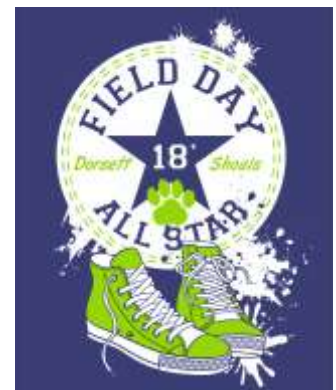

Educationally yours,
Cher Y. M. Algarin
