

Wilbanks Middle School

Parent Involvement Policy and Plan for Shared Student Success

2017– 2018 School Year

Wilbanks Middle School
Marybeth Thomas, Principal
Plan revised April 18, 2016

What is Title I?

Wilbanks Middle School is identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support state and local school reform efforts tied to challenging state academic standards to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental involvement policy.

School Plan for Shared Student Achievement

- **What is it?** This is a plan that describes how Wilbanks MS will provide opportunities to improve parent engagement to support student learning. WMS values the contributions and involvement of parents in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that WMS will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.
- **How is it developed?** WMS welcomes parent input and comments at any time regarding the plan. All parent feedback will be used to revise the plan. The plan is posted on our school website for parents to view and post feedback throughout the year. We also distribute an annual survey online, hard copy, and by e-mail to ask parents for their suggestions on the plan and the use of funds for parent involvement. Parents can also give feedback during our monthly PTO meetings.
- **Who is it for?** All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. WMS will provide opportunities for the participation of all parents including those with limited English, parents with disabilities and parents of migratory children.
- **Where is it available?** At the beginning of the year, the plan is included in the student handbook that is given to all students. As a reminder, we post the plan on our website and have copies in our front office.

2017 – 2018 School Goals

- * All student growth toward being college and career ready
- * We will increase the number of EL students making a positive band movement on the 2017 ACCESS.
- * WMS will focus on safety, discipline, attendance, and maximize instructional time.

School-Parent Compacts

As part of this plan a school-parent compact was designed, which is an agreement that parents, teachers, and students developed together that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students and teachers during the PSTA meetings and Powertime and the school staff meetings. The school-parent compacts are kept with each child's teacher if parents need a copy.

- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

- ✓ Communicate with all families and the community on a regular basis regarding school-wide events and activities, such as phone messages and flyers.
- ✓ Work with our parents to develop relevant trainings and helpful presentations to educate our staff on the importance of parental involvement.
