### Crossroads Center

### Parent Feedback Card

- 1. The School Improvement Plan and Title I Schoolwide Plan** describe each of the instructional programs and processes in place in our school. What programs have you seen as the most successful for your child(ren)? What kind of academic programs, family events or resources would you like to see added in our school?
- 2. Title I** is supplemental funding (in addition to regular funds all schools receive) used to help students who are academically at-risk and is intended to be used “above and beyond” the daily instructional classroom. How do you think these funds would best be spent at our school?
- 3.** Our school has a **Title I Parent I Engagement Plan** that describes the activities we offer to help support your engagement. We believe that your child does his/her best when the school and home work together. In what ways can we as a school help better support you as a parent? What are your thoughts on the use of the 1% set aside for parent involvement?
- 4. The School-Parent Compact** is a plan of action that outlines what the school, parents and students need to do to help all students meet state education standards. What changes and/or improvements do you think need to be made to the responsibilities outlined in the grade level compacts?
- 5. Building the Capacity of Staff** to better understand how to work with families is major part of Title I. What do you think teachers and administrators need to know or learn about that will support your family and help your student be successful in school?
