Pre-order Your Yearbook for the Lowest Price

Yearbook pre-sales are going on now at the early bird price of \$25. You may order online to pay by credit/debit card by following the link on our Kings Chapel webpage at <http://kces.hcbe.net/> or you may send cash or check to the school. Please make the check payable to King Chapel Elementary. While we do try to order extra yearbooks, the only way to guarantee your child has a yearbook is by pre-ordering one now! Students have great fun when the yearbooks arrive by having their teachers, school staff, and students sign their books. The KCES Yearbooks are also filled with wonderful memories for 2017-2018 school year. Last day to order yearbooks at this special low price is February 23, 2018. This is also the last day to order any personalization for your child's yearbook. Beginning February 24, yearbooks will cost \$30 and personalization will no longer be available. Don't wait!! Order your yearbook today!!

(You can also use the QR code or the link below to order.)

Student Spotlight

School Spelling Bee Winners

Kings Chapel Elementary School recently held its annual school spelling bee. Our school winner for the second year in a row is 5th grader Autumn Westbrook, and the runner-up is 5th grader Ryan Costigan.

As the school winner, Autumn

competed in the county spelling bee last Friday and represented Kings Chapel exceptionally well.

Students of the Week

Cason Gentry, in Mrs. Riddle's class, was selected

Student of the Week for fourth grade. Cason has earned all A's and has been on the Honor Roll each 9 weeks this school year. She has great behavior, is kind and respectful to her classmates, listens and follows directions, and follows all aspects of the Cougar Creed. Cason loves animals and

competes often by showing her cows and goats in competitions. She even gave a speech at the Ag Center with her dad to explain her thoughts and her love of being in the "show ring." Cason is an awesome, creative, and well-rounded student who shows her kindness and thoughtfulness everywhere she goes.

Emersyn Preast, in Mrs. Bennett's class, was selected as Student of the Week for first grade. Emersyn puts forth her best effort in all she does. She is already reading on a second grade level. Her favorite time of day is math, especially when the class plays Monster Math. Emersyn is loved by her entire class and was

chosen to be the first star student by her peers. You can always count on Emersyn's sweet caring attitude. One classmate even said, "She is always there to help us, even if we are having a bad day, or not making the best choices." Outside of school Emersyn has received gymnastics, softball, and pageant trophies.

Welcome to Our New Paraprofessional!

Do I really need to introduce myself? Well...my name is Bridgette Oglesby and I am a SPED Para. I am retired military. I spent 20 years in the Air Force. I was a Morse code operator and training manager. I am a licensed minister and am in charge of teaching and training teachers and other ministers at my church. I have taught kids Sunday school for 29 years. So, as you can tell, teaching is in my blood! In my spare time, I love to read, mostly non-fiction books. My favorite foods are dark chocolate, salad and lobster. I am excited to be on staff at KCES and look forward to greater things to come.

Hooray for 100 Days!!

A huge "Thank you!" to our KCES Cougars and their families! We met our goal of 100 pairs of socks and then some! We received a total of 215 pairs of socks!! WOW! These socks will be donated to the HCBE Social Workers and will be given to students in Houston County. These donations will help children who have lost their homes due to fire or other tragic events, or who are just in need of **clean, warm, socks!**
