

# PJHS Talent Show Audition Information

Thank you so much for showing interest in auditioning for the 2018 PJHS Talent Show. We are very excited to hear/see your performance!!!

When rehearsing for your audition, please keep in mind the following things:

1. If you are singing you need to have a “Karaoke” or “Instrumental” track to sing to. You can find these by searching iTunes with the name of your song followed by the word “Instrumental” or by searching the same way on YouTube. We will need to be able to hear you sing the song without the original artist singing with you and please know the words to your entire song. Make sure you have practiced your performance piece in its entirety prior to coming to the auditions.
2. We would love to see a variety of acts including students who dance, sing, cheer, perform martial arts demonstrations, play musical instruments, juggle, or whatever your special talent might be.
3. Make sure all songs are school appropriate. Just because they do not swear, does not mean they are school appropriate.
4. The following dates are mandatory for any student who is participating in the talent show:  
**1/23 - Talent Show Auditions**  
**1/31 - Rehearsal at PHS - 3:45-5:15**  
**2/1 - Dress Rehearsal at PHS - 3:45-5:15**  
**2/2 - Talent Show Performance at PHS - Call time for performers 6:45**  
**Talent show begins at 7:00pm**
5. Students will need to have their outfits/cd’s/anything they will need for their performance in the talent show at the Dress Rehearsal on January 31st.
6. You will be able to sign up for an audition time beginning on January 17th in the main office.
