2-Spiral-bound notebook (Science labeled in black on front)

Colored Pencils (1 box of 12 or more)

T-shirt and shorts (gym class)

5-function calculator – solar preferred

**Please do NOT purchase locker shelves or any “extra or excessive” items for lockers. It only causes them to jam. Please have your child bring all these items on the first day of school as we will be collecting several items in AA and using them the first day of school. Please make sure your child has a Trapper Keeper that zips! This will help them to be organized and not lose items.**
