

Summer Reading Skills

ONLINE PROGRAMS

Individualized programs include engaging online instruction, independent reading in great books, and a skilled and encouraging teacher.

Programs for 4-Year-Olds and Entering Kindergartners

In these fun summer programs, your child will learn to read. Children in these programs will learn letter recognition, beginning phonics, and easy sight words. Your child will learn to read simple words and short sentences, and will develop a love of books and reading.

Program for Entering 1st Graders

In this fun summer program, your child will learn to read independently. Children in this program learn phonics and sight words, improve comprehension, and develop a love of books and reading. Your child will get excited about learning to read and get off to a great start in first grade.

Program for Entering 2nd Graders

In this fun summer program, your child will become a fluent, independent reader. Children in this program build solid phonics and word-attack skills, and develop reading fluency and comprehension. Your child will gain confidence and develop a love of books and reading.

Program for Entering 3rd Graders

In this fun summer program, your child will become a strong, fluent reader. Children in this program learn to read long words and develop reading fluency and comprehension. Your child will gain confidence and develop a love of books and reading.

Program for Entering 4th and 5th Graders

In this fun and effective summer program, your child will become a skilled, enthusiastic reader. Students in this program will develop strong comprehension skills in both fiction and non-fiction, including textbooks. Your child will complete homework more quickly and easily, be more successful in school, and develop a love of books and reading.

Programs for Entering 6th-8th Graders and Entering 9th-12th Graders

In these effective and enjoyable programs, your student will improve comprehension in both fiction and non-fiction, and will learn to read twice as fast. Students in these programs learn the best way to read textbooks, take notes, and study for tests. Your student will complete homework more quickly, get better grades, and enjoy reading more.

Programs are offered by North Carolina State University's Office of Professional Development, in conjunction with the Institute of Reading Development. Programs are taught by instructors from the Institute of Reading Development. Tuition varies by program level. Please ask about our family discount.

Exciting Results!

“My daughter is sounding out words on her own, and she is so excited about reading to us! She loved this program, and I was very impressed with the books and materials.”
– Parent of kindergartner

“Patrick's comprehension has really improved, and he loved the books. I've recommended this to other parents.”
– Parent of 5th grader

“Thanks to this program my son is now reading independently, and his confidence is through the roof. I cannot express enough how grateful I am for this program.”
– Parent of 1st grader

“The online lessons were fun and easy to follow. It is much easier for me to study and take notes now. I don't put off studying until the last day, because I know I can get through it fast.”
– 7th-grade student

“Allison loved being able to access the website on her own. Her reading skills have improved tremendously, and she is reading more challenging books.”
– Parent of 3rd grader

“I liked tracking my reading speed and seeing it go up from week to week. I used to not like to read because it was too time-consuming, but now it's easier to finish.”
– 9th-grade student

Online reading programs begin every week throughout the summer.
