

Swansboro Century Club

What is the Century Club: The Swansboro Century Club was founded in 1981 to provide assistance to the Swansboro High School and Swansboro Middle School athletic programs. We have many events throughout the year to raise money in order to purchase much needed items for athletics in the schools.

How Do I Become a Member: The way to become a Century Club Member is to fill out a contract. The cost of the contract is \$150 for 1 pass; \$200.00 for 2 passes and \$250.00 for 3 passes. Full or half payment can be made. Remainder of contract is due by March 31st of the following year. Payment can be made by credit card, check or cash. Contracts are available now from the front office at the high school or any board member.
