Mission Statement

Every Child a Success!

Superintendent's Highlights

Managed Instruction: Monthly Administrative Team meetings have been held to facilitate communication, professional development and supervisor training. Teachers from the Southern Nevada Regional Professional Development Program (RPDP) have regularly presented Nevada Educational Performance Framework (NEPF) training to our administrators during these monthly meetings this year. School Performance Plans have also been reviewed on a monthly basis during these meetings.

RPDP staff, and Teachers on Special Assignment (TOSA), help provide a multitude of Professional Development for school level staff on a weekly basis along with five full days of in-services throughout the school year. They also provide courses specific to the needs of our schools and communities.

School Innovation: Measures of Academic Progress (MAP)/Northwest Evaluation Association (NWEA) testing (<http://www.nwea.org/>) will be used three times by the end of this school year (Pahrump Valley High School will use it twice). Adobe Connect is being used for Instructional Consultation (IC) training and other meetings by the Department of Student Achievement. TOSAs are supporting cross-age tutoring programs throughout our elementary and middle schools.

Principal Priorities: Southern Nevada RPDP Administrative trainers have assisted administrators with teacher classroom observations. Many new software and newly incorporated program trainings have occurred as well as management training to assist principals with management skills and Special Education Protocols and Procedures.

Instructional Differentiation: Many different strategies are being used in schools throughout our district with training sessions being conducted by a nationally certified Pearson trainer. Criterion Reference Testing and High School Proficiency Exams (HSPE) data is being provided for administrators to focus on priorities and target weaknesses. New English Language Learner (ELL) standards have also been implemented.

Educator Accountability: Many different trainings and workshops have been implemented throughout the year. State attendance audits have occurred at three schools and a state audit was conducted at Pathways Middle School and High School. A curriculum audit was conducted for the district at Pahrump Valley High School. Nye County School District (NCSD) Policy and Regulations have been reviewed this year along with building administrator awareness of them.

Goals and Objectives

Priority Need/Goal 1: By June 30, 2015 NCSD will have a fully operational K-12 math curriculum as measured by: Classroom observations, teacher surveys of efficacy and evaluations of related professional development.

- Measurable Objective 1, Clear expectations: By May 1, 2014 NCSD administrators will communicate the expectation of district-wide implementation of the K-12 math curriculum, with support of the district.
- Measurable Objective 2, Professional Development: By June 1, 2015 NCSD administrators will plan and deliver professional development to all teachers and interested parents.
- Measurable Objective 3, Expand the use of training: By December 1, 2014 NCSD will expand the use of, and train qualified staff members and administrators to provide job-embedded support to teachers as they implement the K-12 curriculum.
- Measurable Objective 4, Accountability: By June 1, 2015 NCSD Administrators will have held teachers and principals accountable for implementing the math curriculum with fidelity through classroom observations and evaluations.

Priority Need/Goal 2: By June 30, 2016, NCSD will increase the use of data to improve instruction as measured by growth data and classroom observations.

2013-2014 District Accountability Report

- Measurable Objective 1: By June 30, 2015 NCS D will create a data analysis system.
- Measurable Objective 2: Beginning August, 2015 50% of PD Wednesdays will be used to analyze data and improve instruction.
- Measurable Objective 3: By June 30, 2016 each teacher will receive feedback on data use from at least two walk-throughs.

Priority Need/Goal 3: By June 2015 NCS D will report progress on achieving the Board's mission to all constituents using pre-determined measures.

- Measurable Objective 1: By September 2, 2014 NCS D Superintendent Dale Norton will appoint a working group to identify, administer surveys, and to compile and analyze results.
- Measurable Objective 2: By January 1, 2015 the NCS D Superintendent will appoint a working group (same or including members of the working group above) to determine the content and format of the district report; the working group will consist of, at a minimum, one board member, a parent representing each grade span, a district office representative, school building representatives, and a business representative.

District Communication Efforts

Nye County School District utilizes several meaningful ways to communicate with parents, families and our communities. We redesigned our website to be more user friendly adding communication areas such as press releases, news, and the Superintendent's weekly Monday Minutes. We added an email link directly to the district receptionist, from our website, who reviews and forwards all emails received to the appropriate staff, department or school.

The Nye County School District's Parent Involvement & Engagement website is maintained by our parent liaison. This website contains a multitude of information and links for our parents, students and our communities. We have also developed a School District Facebook page this year and continue to post school events as well as district wide information and events including calendar dates.

Board of Trustees meeting information, agendas, notices and minutes are posted online on our website. This information, dating back ten years, is available for review by the public. Members of the Board of Trustees are easily reached via email through our website as well.

Building support from local media for distribution of news, events and announcements is ongoing. We provide Board of Trustees "Briefs" to the media one day after each board meeting occurs. The superintendent's Monday Minutes (weekly communication of activities) is posted on the NCS D website and submitted to local media. A Community Outreach Committee was formed and meets approximately every two months. Three board of trustee members sit on the committee, along with the superintendent. The meeting is conducted under open meeting law, the public is welcome.

A parent kiosk, in both the Southern and Northern District Offices, providing parents with an additional option for obtaining information is always available and includes the use of a computer to obtain their child's academic and attendance information. A three week progress report schedule was created district wide for schools to send student reports home on a regular basis. School newsletters are sent home on a monthly or quarterly basis. Parent Involvement activities have been implemented at many of our schools including Math Night, Family Story Teller Training, as well as Title I, Gear-up, Family Engagement and Migrant meetings.

Blackboard Connect is an automated phone and email system which is used regularly to communicate information about students and events occurring at our schools. This system is also used to inform parents of emergency situations and unforeseen temporary school closures. We have used this system to survey parents along with the use of Survey Monkey to obtain parent input and responses to specific subjects.

Discipline

Each school site at Nye County School District submitted a Progressive Plan of Discipline for the 2013-2014 school year. This Discipline Plan is developed by a committee of school leaders, staff and parents each year. Bullying and Cyber-Bullying Training was provided to all staff and students. Additionally, detailed information regarding the definition of Bullying/Cyber-Bullying was placed in the NCS D Parent-Student Handbook, which is provided to each student at the beginning of the school year (and to new students during registration), and is also available on the District website.

The District is implementing a new Bullying/Cyber-Bullying Reporting System (Sprigeo) in the 2014-2015 school year for students and parents to use based on research completed during the 2013-2014 school year. There will be a link on each individual school website.

Lastly, the Nye County School District has a set process in place for handling discipline procedures, which includes Bullying/Cyber-Bullying. This process also involves a follow-up procedure at the District Level using Student Discipline Hearing Action Forms. When necessary, community involvement is used in the manner of sending offending students and their parents to special classes hosted by the Nye Community Coalition.

Nye County School District is fully committed to our continuing efforts to educate students, parents, staff and the community on Bullying/Cyber-Bullying and on striving to lower the number of incidents each school year.

Demographics and Student Information

Data are provided by the Nevada Department of Education from the state student information system. Gender, race/ethnicity, and special student populations are reported as of count day.

Gender and Ethnicity

Data as of: End of school year

'-' indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

'**' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Discipline and Transiency incidents are reported at the school where the action occurred.

**The purpose of some alternative programs is to enroll students for a short period of time until they can reenroll in a comprehensive school; therefore, transiency rates may be greater than 100% or N/A. Data reported as of the end of the school year.

Data as of: Previous School Year

'-' indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

'**' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Adult diplomas issued to 12th grade students enrolled in a program of alternative education are included in these figures.

Dropout Rates for 2003-2009 reports include grades 7 and 8. Reports after 2009 include grade 6.

CGR - Cohort Graduation Rates are reported for 2010-11 forward. Please see the 'Cohort Graduation Rates' report to access graduation data for the 2010-11 school year and subsequent school years.

Certificates of Attendance are given to students who did not receive a diploma only because they did not pass the Nevada High School Proficiency Exam.

Nevada System of Higher Education (NSHE) (Fall 2013)

Students enrolled in remedial courses within the Nevada System of Higher Education (NSHE) do not reflect all graduates. Some graduates do not attend college or they attend college out of state.

Summary of Standards-Based Test Performance

Nevada uses criterion referenced tests (CRTs), Nevada Alternate Assessment (NAA) and the High School Proficiency Exam (HSPE) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to the Nevada Report Card Website at www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the Approaches Standards range of achievement

MS = Percentage of students performing in the Meets Standards range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

'N/A' indicates that this population was not present.

*** indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Schools only showing up with \$0 are new and data was not collected for prior year.

NDE in consultation with InSite adjusted formula used to calculate per pupil expenditures with the Annual Reports of Accountability, rendering comparisons between the year and past years data.

Personnel Information

Classes Not Taught by Highly Qualified Teachers

Highly qualified teachers hold a minimum of a bachelor's degree, are licensed to teach in the State of Nevada, and have demonstrated competence in their teaching area. Data were obtained from the Office of Teacher Licensure as of May 2014.

The development of this annual state accountability report is a joint effort among the Nevada Department of Education and Nevada school districts. This report is provided to the public as required by the federal No Child Left Behind Act and NRS 385.347. A comprehensive listing of all accountability data, including student test data, may be accessed on the Nevada Annual Reports of Accountability website at www.nevadareportcard.com.
