WATCH D.O.G.S.

Dads of Great Students

Dear Dads, Grandpas, Uncles and Father figures, Manse Elementary is excited to announce that we will be starting the very first WATCH D.O.G.S Program in Pahrump. WATCH D.O.G.S. @ (Dads of Great Students) is an innovative father involvement, educational initiative of the National Center For Fathering. There are two primary goals of the WATCH D.O.G.S. @ program.

- To provide positive male role models for the students, demonstrating by their presence that education is important.
- To provide extra sets of eyes and ears to enhance school security and reduce bullying.

We would like to thank all the fathers and father figures that attended the Pizza Party Night! We are looking forward to having you on our campus. There are just few more steps to make this possible.

- 1) Complete the Watch D.O.G. S. registration form
- 2) Complete the Volunteer Packet and return to the school (Make sure to attach a copy of your driver's license and SSN card)
- 3) Once the volunteer packet is processed you will receive an email or phone call from the volunteer office with your volunteer code
- 4) When you have your volunteer code, come to the school to sign-up on the Watch D.O.G.S calendar!!!

If you have any questions please feel free to reach out to Sierra McKillips or Laura Gabrylczyk at (775)727-5252 ext. 316

Manse Recycling

If you would like to donate cans you can do so at any time. We have a collection bin located in the rear of the school by the bus loading area or on Wilson rd. across from the community church! You will see a sign on the north side of the street. Just toss the cans over and help our environment and school!

Box Tops

Help our school earn money, by collecting box tops! Box Tops can be turned into Mrs. Toomer or your student's regular classroom teacher.

Reading week is upon us! Please keep an eye out for a flyer with spirit days coming home soon!

2nd Grade Happenings

What's New In Second Grade!

Manse Hawk Second Graders have been very busy the last few months! Right before Christmas, we learned all about how different countries celebrated the holidays. We also watched the Polar Express and got silver bells from Mr. Claus himself! We had a good break, and we came back in January ready to work hard, because third grade is rapidly approaching.

In math, we have been adding and subtracting two digit numbers, writing numbers in expanded form, and fluently adding 10 and 100 to any number.

In reading, we have been diving into the world of non-fiction! Recently, we have been studying and exploring all types of wild weather, such as tornadoes, hurricanes, and snowstorms.

In writing, we will soon begin to independently investigate and research a specific type of weather, and produce a research report. Keep a lookout for these research papers on our hallway bulletin boards!

We are really excited to share our progress with our school and families.

SafeVoice is an online bullying reporting system used by Nye County School District. SafeVoice was created for you to anonymously submit a tip of concern about your safety or well-being of a friend or classmate around you. Speaking up ensures that your school campus remains an open and welcoming place.
