A Note From Your Principal:

Welcome to 2018!! The year welcomed us with some beautiful snow and an extra week off from school which created some challenges during the month of January with exams and end of the semester events. We are finally on track, and we have started our 3rd Quarter for the year!

We have a lot to accomplish before testing, and not as much time as we think to undertake this goal. Parents can help us as we prepare for second semester by monitoring student homework, making sure they are getting plenty of rest, and having an ongoing dialogue with teachers. Parental involvement is necessary to help move our students towards their individual targets and our school objectives. We appreciate all that you do to encourage "our students" to be successful.

Educationally yours,

Mrs. Comeletia Pyatt, Principal
