**Principal**  
Angela M. Sellars

**Assistant Principal**  
Terri Murr

**Counselor**  
Susan Ferrell

**Special Services**  
Cindy Nowlin

**SRO**  
Kelly Smith

Parents/Guardians of CCRA Students:

As school begins, the following procedures will be in place to lower the risk for our students:

- Students' temperatures will be checked daily. Students with an elevated temperature will be assessed by our nurse.
- Desks will be disinfected frequently.
- Restrooms will be cleaned multiple times throughout the day.
- Breakfast and lunches will no longer be self-serve. There will continue to be multiple options for lunches.
- Technology, equipment, and other shared items will be disinfected as needed.
- Students will have lessons on proper handwashing and other safety measures to reduce the risk of contracting COVID-19.
- Sports teams will follow additional TSSAA guidelines for participation during the COVID-19 pandemic.
- Masks are recommended, but not required.
- Water bottles are recommended.

Please understand that decisions are being made based on the most current information available, and some procedures will change as we receive new guidance from the Tennessee Department of Education and the Centers for Disease Control. To find the latest information, visit our school website or social media sites.

Everyone at CCRA is actively and thoughtfully considering all needs of students and staff in our decision-making process. Tolerance and flexibility are the cornerstones of success for everyone.

We can't wait to welcome you back!

Best,

Angela Mankin Sellars  
Principal
