TOYS FOR TOTS CAMPAIGN: Along with Hixson Elementary School, we are asking all of our Rivermont Elementary families to please join us in a very special community project. Our school is now a drop off site for the Toys for Tots campaign. We are asking every family to donate a new toy; the dollar value of the toy you donate does not have to be high, any toy you can afford to give will be of high value to the child that receives it. The U.S. Marine Corp Reserves are responsible for organizing this campaign each year. As you know, our local Marine Reserves were struck by tragedy this summer. What you may not know is that one the Marines we lost that day was a part of the Hixson Elementary family. This year, Sgt. David Wyatt would have been the site coordinator for the Toys for Tots campaign at Hixson Elementary. Out of respect for his dedication to the Toys for Tots program, we are hosting this campaign in his honor. Please join us in making this a huge success, just as he would have done. The drop off boxes are located in the Rivermont School office. Please bring an unwrapped, new toy today!

Thank you for your consideration.
