Welcome to the new school year! I am very excited to work with my new kindergarteners and continue working with my first grade students! I hope everyone did something special this summer! My family went to a couple beaches this summer.

Dear Families, you may want to consider purchasing an extra set of key school supplies in order to have some supplies accessible at home regardless of the learning model we are operating under. No supplies will be community or shared supplies, due to sanitation concerns. Because of the added COVID-19 school supplies, some supplies you would normally see on the list will be provided by the district this year. We are striving to maintain strict cleanliness and sanitation standards throughout the school and donations of Lysol spray and Lysol wipes would be appreciated if possible.
