

Thompson High School INow Parent/Student Online Portal

We are now offering INow Parent portal to both students and parents with separate logins.

These logins were given out at Summer Registration/Schedule Pickup. If you did NOT pick these up, you may come by the school and pick up your login instructions. Please see Mrs. Hicks in student services.

Once you log in to INow Parent Portal, there are several notifications that you can choose to receive.

On the left side, go to: Settings

If you want to be notified of period absences and tardies, check this box.

If you want to be notified every time a failing grade is entered in gradebook, check this box.

The screenshot shows the 'InformationNOW' parent portal interface. At the top right, there are links for 'Help' and 'Logout', and dropdown menus for 'Student' and 'School/Academic Session' (Thompson High School | 2014-15). The main navigation bar includes 'Home', 'Student Information', 'Reports', and 'System Preferences', with 'Settings' selected. The 'Settings' page is divided into two main sections: 'Alerts' and 'Personal'.
In the 'Alerts' section, under 'Category', there are checkboxes for 'Attendance' (checked), 'Grades' (checked), and 'Go Green' (unchecked). Under 'Method', there is a radio button for 'Email' which is selected.
In the 'Personal' section, there is an 'Email' field with the placeholder text 'enter email here'. Below it is a 'Change Password' section with 'Password' and 'Retype Password' fields. A 'Save' button is located at the bottom right of the 'Personal' section. Red arrows point from the text above to the 'Attendance' and 'Grades' checkboxes. A blue arrow points from the text below to the 'Email' field.

To get these notifications, you must put in a valid email address here.

To change your password at any time, go here.
