Executive Summary

Introduction

Every school has its own story to tell. The context in which teaching and learning takes place influences the processes and procedures by which the school makes decisions around curriculum, instruction, and assessment. The context also impacts the way a school stays faithful to its vision. Many factors contribute to the overall narrative such as an identification of stakeholders, a description of stakeholder engagement, the trends and issues affecting the school, and the kinds of programs and services that a school implements to support student learning.

The purpose of the Executive Summary (ES) is to provide a school with an opportunity to describe in narrative form the strengths and challenges it encounters. By doing so, the public and members of the school community will have a more complete picture of how the school perceives itself and the process of self-reflection for continuous improvement. This summary is structured for the school to reflect on how it provides teaching and learning on a day to day basis.

Description of the School

Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Clanton Intermediate School is located in Chilton County. It is part of the Chilton County School System, which governs 12 schools. There are four Clanton schools, Clanton Elementary School (CES), Clanton Intermediate School (CIS), Clanton Middle School (CMS), and Chilton County High School (CCHS). CIS serves students in grades 3-5. Clanton Elementary School (K-2) is a feeder school for CIS. CIS is a feeder school for Clanton Middle School (6-8). All four of the Clanton schools are located within a half mile radius of each other.

The City of Clanton, according to 2010 US Census data, has a population of 8619 people, with 46.3% White, 46% African-American, 2.6 % Hispanic, and 5% Native American, Asian, or other races. The per capita income is slightly above \$15,000 per year, with 20% living below the poverty level, including 27.5% of those under the age of eighteen. Sixteen percent of the households in Clanton feature a single mother with no father present. Chilton County is a historically agrarian area, with few large factories or plants within the county lines. However, Clanton is considered a bed room community. Clanton is located near I-65. There are 3 Clanton exits along this major interstate system. Birmingham and Montgomery are within a 45 minute drive which allows many citizens the opportunity of employment outside of Chilton County.

For the 2017 - 2018 school year, Clanton Intermediate School has 667 students enrolled. There are 228 students in 3rd Grade, 220 students in 4th Grade, and 219 students in 5th Grade. Of those students, 66% are White, 18% African-American, 12% Hispanic, 3% Mixed, and 1% Asian. Of the 667 students enrolled, 47% are male and 53% are female. The enrollment has more grown by 55 students from 2016. The free or reduced breakfast/lunch is 59.58%. CIS receives Title I Federal funding based on its number of free and reduced students.

CIS was opened in 2002. For the 2017-2018 school year, it has 39 teachers. Two are funded with Title I money and one is a CSR Unit, 1 librarian, 1 counselor, and 2 administrators. Plus, there are five teacher aides, two administrative support workers, a nurse, and 7 service workers. CIS has 3 male teachers and the Assistant Principal is male, and 3 African American teachers.

CIS's focus for the 2017-2018 school year is to continue the improvement from last years ACT Aspire scores. The State set a goal for 3rd Grade at CIS of 38% in Reading. This was an increase of 10 points above the 2015 ACT Aspire results. Third Grade did reach this goal as evidenced by the Spring 2017 test results.

School's Purpose

Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs. Describe how the school embodies its purpose through its program offerings and expectations for students.

The purpose of Clanton Intermediate School is to partner with families and the community to inspire and prepare graduates to be responsible and productive champions of their future.

We have a dedicated staff that is committed to professional growth and the development of strong instructional programs. All of us at CIS strive to encourage our students to become responsible citizens and lifelong learners. We believe that in order to accomplish this goal we must have a supportive partnership between home and school. We appreciate and need your help in making this a successful and positive school year.

Our values and beliefs guide teaching, learning and working at CIS: 1. Our schools are safe, caring, learning communities engaged in continuous improvement, committed to the pursuit of excellence, and dedicated to the success of each student. 2. Our employees are qualified, dedicated, innovative, and student-centered, engaged in continued learning. 3. Our schools provide quality instructional programs, enriching extracurricular experiences, and a wide variety of opportunities for students to explore their interest, expand their dreams, and develop their talents. 4. Our schools partner with families, business, industry, post-secondary institutions, community agencies, and government to create and sustain outstanding facilities, technology, learning resources, and experiences to maximize student achievement. 5. Our schools embrace diversity, promote respectful relationships, and have high expectations and performance standards for all students and adults. 6. Our schools value integrity, open communication, shared responsibility, innovation, and accountability.

Notable Achievements and Areas of Improvement

Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.

CIS has a Science Olympiad Team that scored 3rd out of 33 schools in the 2017 State competition. Students, sponsors, and all faculty and staff members are proud of this achievement, as well as the Board of Education and the community. Fifth Grade students participate in this competition each year; so, all new 5th Grade students hope to be selected as a member.

Third Grade Reading is a major area for focus for the 2017-2018 school year. Test scores in 2017 was a 38%. This was an increase of 10 points from the 2015 score of 28% and a 12 point increase of the 2016 score of 26%. CIS will work to improve this score even higher for the spring 2018 State scores.

Last year new programs were implemented to provide item analysis data. This provided diversified instruction for students based on the needs of the students. These programs will continue to be implemented in the 2017-2018 school year. Improved individualized, small group, and whole group instruction is a top priority for CIS. From the data, intervention strategies will be determined and used providing more efficient instruction. Third Grade will continue to improve reading instruction and math instruction, setting a foundation for future 4th and 5th grade students.

Additional Information

Provide any additional information you would like to share with the public and community that were not prompted in the previous sections.

This is the second year for Louise Pitts to be the Principal of CIS. She has brought to CIS new programs, a positive attitude, a willingness to work with the faculty, community, parents, and students, and a work ethic to lead the school to increase academic scores at CIS.

For the spring 2017 test scores, 3rd grade amazing raised the reading scores to 38% and the Math scores to 67%, 18 points higher than the spring 2016 math scores. CIS beat the County's scores in the following: 3rd Grade reading and math, 4th grade reading the same score, and 5th grade reading and math.

Improvement Plan Stakeholder Involvement

Introduction

The responses should be brief, descriptive, and appropriate for the specific section. It is recommended that the responses are written offline and then transferred into the sections below.

Improvement Planning Process

Improvement Planning Process

Describe the process used to engage a variety of stakeholders in the development of the institution's improvement plan. Include information on how stakeholders were selected and informed of their roles, and how meetings were scheduled to accommodate them.

Stakeholders were selected by the Principal, Louise Pitts. Parents, business leaders, and elected officials were contacted by phone to invite them to be part of the committee. Grade level Representatives, and other key members of the faculty were asked to also become members of the committee. A date and time were selected for the meeting.

Describe the representations from stakeholder groups that participated in the development of the improvement plan and their responsibilities in this process.

Ann Baker - Community Leader
Kyle Sims - Parent
Jessica Patterson - Parent
Bethany Epperson - Parent
Tommy Baugh - Parent
Cheryl Perault - PTO President
Pamela Harris - School Improvement/ACIP/Central Office
Blake Maddox - PLTW Teacher/Tech Coordinator
Robin Wilson - Special Education Teacher
Jill Moatts - 3rd Grade Representative
Lisa Brown - 4th Grade Representative
Brooke Sullivan - 5th Grade Representative
Anita Price - Reading Coach
Lisa Baker - Counselor
Roger Sheffield - Assistant Principal
Louise Pitts - Principal

Explain how the final improvement plan was communicated to all stakeholders, and the method and frequency in which stakeholders receive information on its progress.

An agenda, test results, Title I Budget, State Foundation Budget, and charts were used to convey information to the committee. The committee was informed that the majority of the Title I Budget went toward personnel providing more teacher units. However, other Title I money will be spent to assist Project Lead the Way and for more chromebooks. The team will meet again to review student progress and further needs for the school. When the ACIP is complete, parents will receive a copy through email.

Student Performance Diagnostic

Introduction

The Student Performance Diagnostic provides an institution with a process to report summative student assessments. This diagnostic is significant to the accreditation and continuous improvement process as it serves as a resource for schools to view content area assessment results required by the state, district, or other entities, determine the quality and reliability of the given assessments, and show the alignment of the assessments to the school's curriculum. The performance level computed at the completion of the diagnostic is used by the external review team as a comprehensive report to understand fully the institution's assessment program; the diagnostic should be used in the same manner by the institution as it engages in improvement planning.

Student Performance Data

Label	Assurance	Response	Comment	Attachment
1.	Did you complete the Student Performance Data document offline and upload below?	Yes	ACT Aspire Data was reviewed.	Comparison of ACT Aspire Test Scores

Evaluative Criteria and Rubrics

Overall Rating: 3.25

	Statement or Question	Response	Rating
1.	Assessment Quality	The array of assessment devices used by the institution to determine students' performances is sufficiently aligned so that valid inferences can be reached regarding students' status with respect to the entire set of curricular aims regarded as high-priority, "must accomplish," instructional targets. The documentation provided in support of this alignment is persuasive. All of the assessments used are accompanied by evidence demonstrating that they satisfy accepted technical requirements such as validity, reliability, absence of bias, and instructional sensitivity.	Level 4

	Statement or Question	Response	Rating
2.	Test Administration	All the assessments used by the institution to determine students' performances, whether externally acquired or internally developed, have been administered with complete fidelity to the administrative procedures appropriate for each assessment. In every instance, the students to whom these assessments were administered are accurately representative of the students served by the institution. Appropriate accommodations have been provided for all assessments so that valid inferences can be made about all students' status with respect to all of the institution's targeted curricular outcomes.	Level 4

	Statement or Question	Response	Rating
3.	Quality of Learning	Evidence of student learning promoted by the institution is well analyzed and clearly presented. In comparison to institutions functioning in a similar educational context, students' status, improvement, and/or growth evidence indicates that the level of student learning is substantially greater than what would otherwise be expected.	Level 4

	Statement or Question	Response	Rating
4.	Equity of Learning	Evidence of student learning indicates achievement gaps exist among subpopulations of students, and that minimal or no change has occurred in these achievement gaps.	Level 1

Areas of Notable Achievement

Which area(s) are above the expected levels of performance?

3rd Grade reading increase by 12 points from the 2016 test results.

3rd grade math increased by 18 points from the 2016 test results.

Describe the area(s) that show a positive trend in performance.

3rd Grade reading and math

Which area(s) indicate the overall highest performance?

3rd grade reading and math

Which subgroup(s) show a trend toward increasing performance?

The subgroup Black/African American increased the most in math in all grades: 3rd - 19 points, 4th - 9 points, & 5th - 6 points.

Between which subgroups is the achievement gap closing?

Hispanic and white in math.

Which of the above reported findings are consistent with findings from other data sources?

The ACT Interim Program used by CIS indicated the same data.

Areas in Need of Improvement

Which area(s) are below the expected levels of performance?

The EL subgroup, 20%, was lower than the IEP subgroup, 21%, in math.

Describe the area(s) that show a negative trend in performance.

Hispanic or Latino subgroup in 4th Grade Reading in 2016 was 13% and in 2017 was 12%.

Which area(s) indicate the overall lowest performance?

The American Indian/American Native subgroup 4th Grade Reading was at 9%.

Which subgroup(s) show a trend toward decreasing performance?

Fourth Grade males decreased in Reading by 2 points and in Fifth Grade males in math stayed the same.

Between which subgroups is the achievement gap becoming greater?

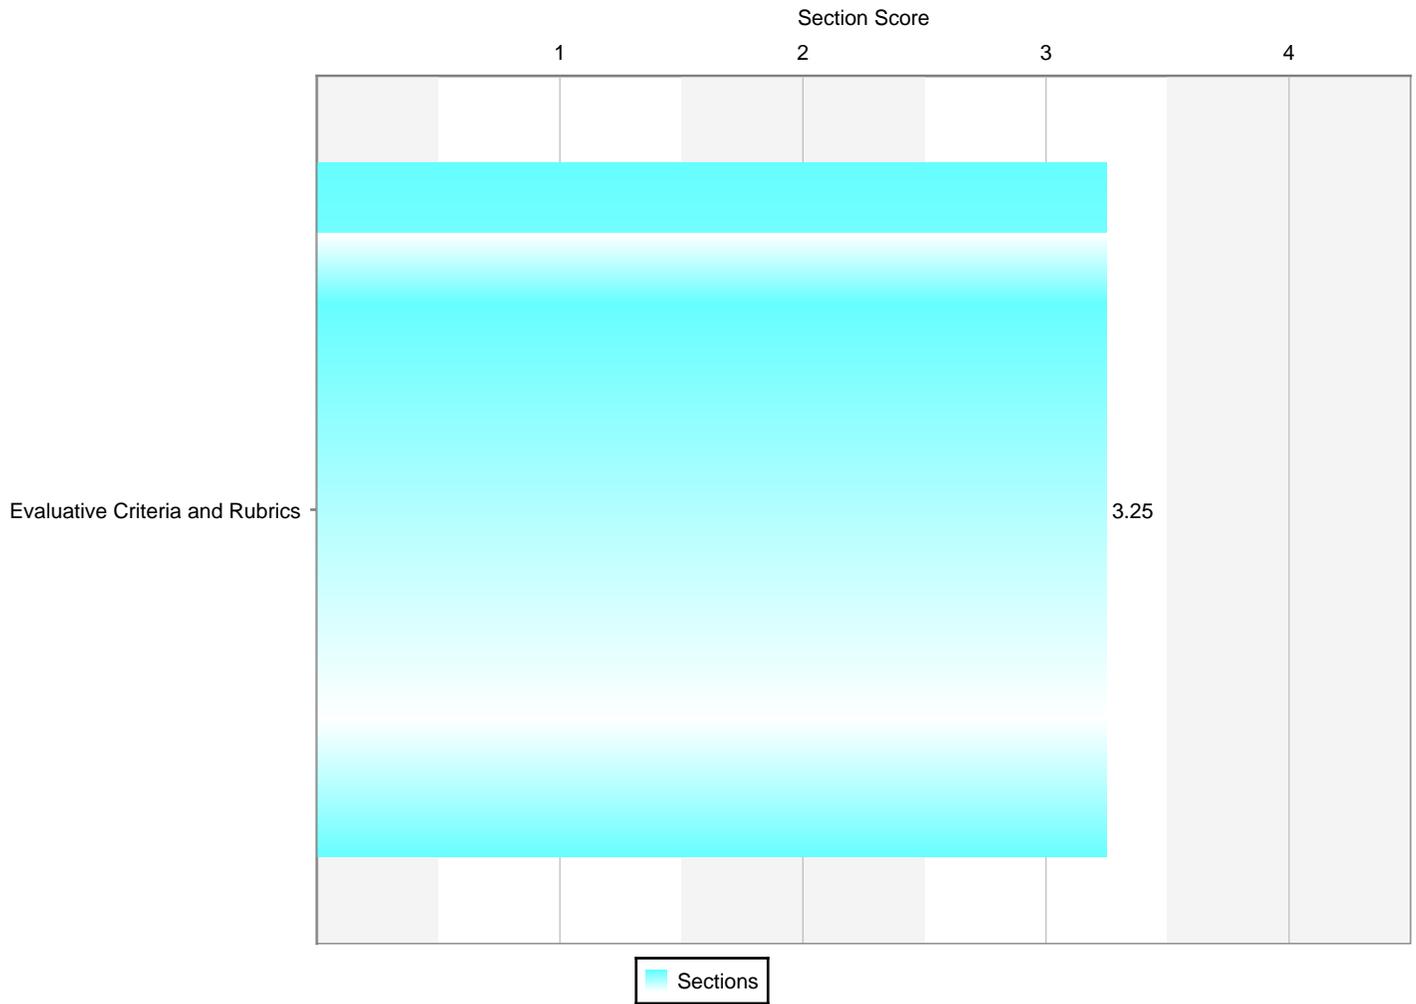

Fourth Grade Reading and Math are performing lower than the IEP students according to the 2017 data.

Which of the above reported findings are consistent with findings from other data sources?

None of the EL students exited the program through the ACCESS testing.

Report Summary

Scores By Section

2017-2018 ACIP Assurances

Introduction

By responding to the questions in ASSIST and attaching evidence when required, the institution has verified whether it meets or does not meet each of the required ACIP Assurances.

ACIP Assurances

Label	Assurance	Response	Comment	Attachment
1.	The Instructional Leadership Team members that should be present include the principal, guidance counselor, district school improvement specialist (or other designee), appropriate content-area teachers, parent representatives, and student representatives (as appropriate). Depending on the data, additional members may include special population representatives (Technology Coordinator, Special Education, EL, etc.), district federal programs coordinator, district chief school financial officer, community stakeholders, or any other member as appropriate. Documentation will be maintained on site.	Yes		LEA Consolidated Plan

Label	Assurance	Response	Comment	Attachment
2.	The institution complies with all federal laws and regulations prohibiting discrimination and with all requirements and regulations of the U.S. Department of Education. It is the policy of this institution that no person on the basis of race, color, religion, national origin or ancestry, age, gender, height, weight, marital status or disability shall be subjected to discrimination in any program, service or activity for which the institution is responsible, or for which it receives financial assistance from the U.S. Department of Education.	Yes	CIS abides by all federal laws and requirements and regulations of the U.S. Department of Education.	

Label	Assurance	Response	Comment	Attachment
3.	The institution has designated an employee to coordinate efforts to comply with and carry out non-discrimination responsibilities. If yes, list the name, position, address and telephone number of the employee in the comment field.	Yes	Louise Pitts Principal Clanton Intermediate School 824 Temple Road Clanton, Alabama 35045 (205)280-2790	

Label	Assurance	Response	Comment	Attachment
4.	The institution has a Parent and Family Engagement policy and plan as required in ESSA Section 1116, and ensures that all requirements in Section 1116 and 1112(e)(1)(A)(i)-(ii), Parents' Right-to-Know, are implemented systematically.	Yes	Parents and Guardians are provided with this information in paper form and through a power point presentation.	CIS Parent-Student Compact

ACIP

Clanton Intermediate School

Label	Assurance	Response	Comment	Attachment
5.	The institution has a School-Parent Compact. If a Title I school, the School-Parent Compact contains the required components (ESSA Section 1116 (d)) and was jointly developed with parents of participating students.	Yes	Parents or guardians and students review this document and then sign it.	CIS Parent-Student Compact

2017-2018 Plan for ACIP

Overview

Plan Name

2017-2018 Plan for ACIP

Plan Description

Goals Summary

The following is a summary of the goals encompassed in this plan. The details for each goal are available in the next section.

#	Goal Name	Goal Details	Goal Type	Total Funding
1	Students in grades 3, 4, 5 will increase their math scores.	Objectives: 1 Strategies: 1 Activities: 4	Academic	\$6653
2	CIS will increase parental and family engagement to increase academic achievement.	Objectives: 1 Strategies: 1 Activities: 1	Academic	\$0
3	Reading Improvement for Grades 4 and 5	Objectives: 1 Strategies: 1 Activities: 1	Academic	\$5123
4	60% of 3rd Grade students will complete the Accelerated Math 3rd Grade Common Core Objectives.	Objectives: 1 Strategies: 1 Activities: 1	Academic	\$9000
5	CIS will increase Oral Reading Fluency on the End of Year DIBELS test.	Objectives: 1 Strategies: 1 Activities: 1	Academic	\$382
6	Special Ed students in Grades 4 and 5 will increase reading scores	Objectives: 1 Strategies: 1 Activities: 1	Academic	\$5123
7	EL Goal - All EL students at CIS will improve speaking and writing scores.	Objectives: 1 Strategies: 1 Activities: 1	Academic	\$0

Goal 1: Students in grades 3, 4, 5 will increase their math scores.

Measurable Objective 1:

A 5% increase of Third, Fourth and Fifth grade students will achieve college and career readiness proficiency in Mathematics by 05/24/2018 as measured by Scantron Performance Series.

Strategy 1:

Targeted Instruction - Targeted instruction will enable teachers to adapt and deliver both individualized and whole group instruction that meets the needs of all students. This will be accomplished first reviewing data derived from Reflex Math and Accelerated Math and then implementing guided practices, cooperative learning, strategic questioning, exit slips, and modeling.

Category: Develop/Implement Research Based Best Practices for Continuous Improvement

Research Cited: Beesley, A. D., & Apthorp, H. S. (2010). Classroom instruction that works second edition research report. Denver, CO:

McREL. Retrieved from www.mcrel.org/PDF/Instruction/0121RR_CITW_report.pdf

Activity - Differentiated Instruction and Tier II	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Differentiated Instruction is effective teaching that involves providing students with different avenues to acquiring content for processing, constructing, or making sense of ideas. From these deductions, teachers will develop teaching materials and assessment measures so that all students within a classroom can learn effectively, regardless of differences in ability. The use of flexible grouping, as well as differentiated instruction will be used to provide Tier II instruction for students not making adequate progress on daily formative assessments.	Academic Support Program	08/09/2017	05/24/2018	\$0	Title I Schoolwide	All teachers, support personnel, and administration
Activity - Reflex Math	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Across the grade level and assessments, students who use Reflex may score higher and achievement may increase.	Academic Support Program	08/09/2017	05/24/2018	\$0	No Funding Required	Math Teachers and Intervention Teachers
Activity - Accelerated Math	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Accelerated math is administered daily, and all students will take this standard based assessment using a computer generated format.	Academic Support Program	08/09/2017	05/24/2018	\$5123	Title I Schoolwide	Math Teachers and Intervention Teachers

Activity - STEM	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
All students will receive STEM instruction and coding instruction weekly.	Academic Support Program, Direct Instruction	08/09/2017	05/24/2018	\$1530	Other	Administrators and STEM trained teacher

Goal 2: CIS will increase parental and family engagement to increase academic achievement.

Measurable Objective 1:

A 1% increase of All Students will demonstrate a proficiency in parental and family engagement in school activities in Practical Living by 05/24/2018 as measured by parent surveys..

Strategy 1:

Parental Involvement - Orientation, Open House, Grandparents Day, Title I Meeting for Stakeholders, Spelling Bee, Awards Ceremonies, Spring Carnival, Christmas Parties, End of year Parties, Daily Lunch/Breakfast, Field Trips, Automated phone-Messaging for School Information, Weekly Newsletters, Parent Volunteers, and Parent Training on Various Programs

Category: Develop/Implement Student and School Culture Program

Research Cited: Parent Surveys

Activity - Parental Involvement	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Parents will be invited to school activities in an effort to increase parental involvement and student academics.	Parent Involvement	08/09/2017	05/24/2018	\$0	No Funding Required	Principal, Assistant Principal, Counselor, Teachers and Staff

Goal 3: Reading Improvement for Grades 4 and 5

Measurable Objective 1:

4% of Fourth and Fifth grade students will achieve college and career readiness proficiency in Reading by 05/24/2018 as measured by the Scantron Performance Series.

Strategy 1:

Accelerated Reading - Students will read Accelerated Reader books and take tests for comprehension on their books.

Category: Develop/Implement College and Career Ready Standards

Research Cited: Accelerated Reader

Activity - Accelerated Reader	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Students will read AR books and take tests to measure comprehension.	Academic Support Program	08/09/2017	05/24/2018	\$5123	State Funds	Librarians, Principal, Assistant Principal, Teacher and Staff

Goal 4: 60% of 3rd Grade students will complete the Accelerated Math 3rd Grade Common Core Objectives.

Measurable Objective 1:

A total of 175 Third grade students will demonstrate a proficiency of 100% in Mathematics by 05/11/2018 as measured by mastering the CC objectives.

Strategy 1:

AM Objectives - Teachers will insure that students master 4 CC objectives each week during AM instruction time.

Category: Develop/Implement College and Career Ready Standards

Research Cited: State Standards

Activity - AM Objectives	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will introduce a CC objective, print out an individual work sheet, review one-on-one math instruction with students who need assistance prior to the student putting/scanning the answers into the computer program.	Class Size Reduction, Academic Support Program, Tutoring, Direct Instruction	08/10/2017	05/11/2018	\$9000	Title I Part A	Principal, Assistant principal, and teachers

Goal 5: CIS will increase Oral Reading Fluency on the End of Year DIBELS test.

Measurable Objective 1:

A 5% increase of Third grade students will demonstrate a proficiency in ORF Words Correct from 63% to 68% in Reading by 05/11/2018 as measured by the 2018 End of Year DIBELS assessment..

Strategy 1:

Fluency Skills - Teachers will develop fluency centers for daily practice. Teachers will progress monitor Intensive students each week, strategic students bi-monthly and graph their improvement.

Category: Develop/Implement Research Based Best Practices for Continuous Improvement

Research Cited: DIBELS

Activity - Progress Monitoring	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Official DIBELS passages will be used to weekly assess Intensive students and bi-monthly to assess Strategic students.	Academic Support Program	08/21/2017	05/11/2018	\$382	General Fund	Administrators, Reading Coach, and Teachers

Goal 6: Special Ed students in Grades 4 and 5 will increase reading scores**Measurable Objective 1:**

A 4% increase of Fourth and Fifth grade Students with Disabilities students will demonstrate a proficiency of 4% in Reading by 05/18/2018 as measured by Scantron Performance.

Strategy 1:

Accelerated Reading - General Ed and Special Ed teachers will oversee this program and administration will review progress monthly.

Category: Develop/Implement Research Based Best Practices for Continuous Improvement

Activity - Accelerated Reader	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Daily reading and testing on student's individual reading level.	Academic Support Program	08/09/2017	05/24/2018	\$5123	Title I Part A	Administration, teachers, and Special Ed teachers

Goal 7: EL Goal - All EL students at CIS will improve speaking and writing scores.**Measurable Objective 1:**

A 4% increase of English Learners students will demonstrate a proficiency in Level 3 Speaking in Writing by 05/25/2018 as measured by as measured by ACCESS for ELLs.

Strategy 1:

Professional Development - Academic teachers will discuss and learn strategies to increase writing competencies .

Category: Develop/Implement Professional Learning and Support

Research Cited: WIDA Standards

Activity - Professional Development	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible

Stakeholder Feedback Diagnostic

Introduction

The Stakeholder Feedback Diagnostic is designed to analyze the institution's survey results in terms of areas of achievement and areas that need improvement. Further, the diagnostic is essential to the accreditation and continuous improvement processes in that it provides the institution with a comprehensive view of the aggregate scores of the surveys administered, and the actual total of respondents for each survey type to derive a single score for this diagnostic. The performance level score computed at the completion of the diagnostic is used to broaden and enhance the external review team's understanding of the stakeholder's perceptions of the institution; the diagnostic should be used in the same manner by the institution as it engages in improvement planning.

Stakeholder Feedback Data

Label	Assurance	Response	Comment	Attachment
1.	Did you complete the Stakeholder Feedback Data document offline and upload below?	Yes	Students took the survey during their computer time. Staff took the survey during their Prep time. Parents were handed chrome books during lunch time and car rider pick up and asked to do the survey.	May Surveys

Evaluative Criteria and Rubrics

Overall Rating: 3.5

	Statement or Question	Response	Rating
1.	Questionnaire Administration	All required AdvancED questionnaires were used by the institution to receive stakeholder feedback. The minimum response rate for each population was met (parent questionnaire: equal to or greater than 20%, student questionnaire(s): equal to or greater than 40%, staff questionnaire: equal to or greater than 60%). Questionnaires were administered with complete fidelity to the appropriate administrative procedures. In every instance, the stakeholders to whom these questionnaires were administered fully represented the populations served by the institution. Appropriate accommodations were provided as necessary for all participants.	Level 4

	Statement or Question	Response	Rating
2.	Stakeholder Feedback Results and Analysis	All questionnaires had an average item value of 3.20 or above (on a 5.0 scale). Results of stakeholder feedback collected by the institution were acceptably analyzed and presented with reasonable clarity.	Level 3

Areas of Notable Achievement

Which area(s) indicate the overall highest level of satisfaction or approval?

Parent survey questions in category of Purpose and Direction was at 93.75%.

Which area(s) show a trend toward increasing stakeholder satisfaction or approval?

Parent survey questions in category of Purpose and Direction was at 93.75%.

Which of the above reported findings are consistent with findings from other stakeholder feedback sources?

Parent survey questions in category of Purpose and Direction was at 93.75%.

Areas in Need of Improvement

Which area(s) indicate the overall lowest level of satisfaction or approval?

The Faculty Survey in the category of Governance and Leadership had the lowest level of satisfaction or approval with a 70.56% score.

Which area(s) show a trend toward decreasing stakeholder satisfaction or approval?

The Faculty Survey in the category of Governance and Leadership had the lowest level of satisfaction or approval with a 70.56% score.

What are the implications for these stakeholder perceptions?

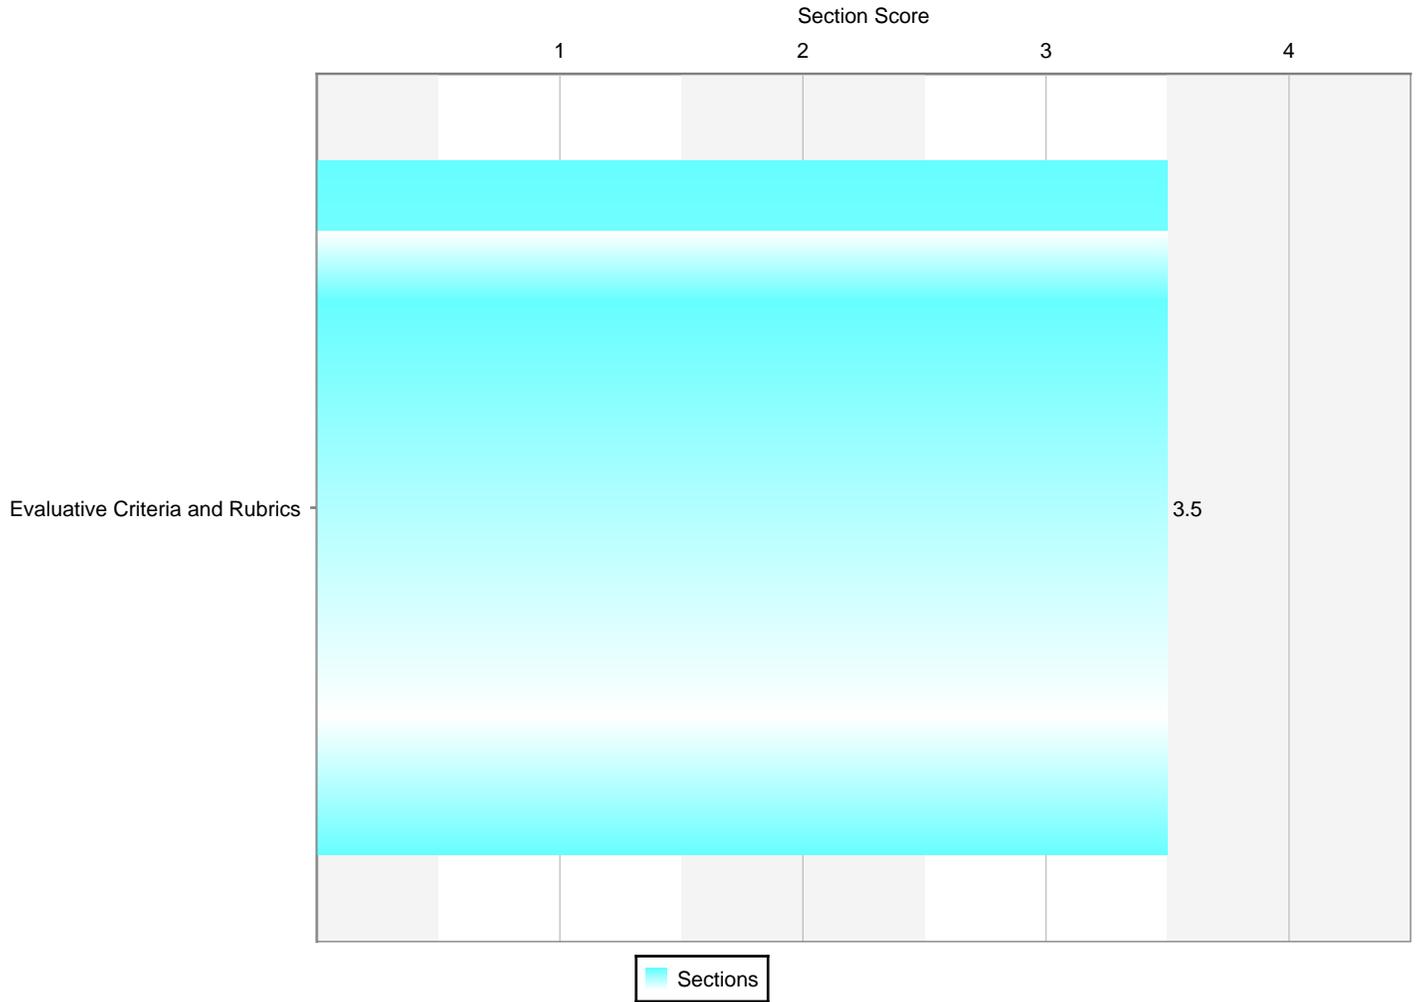

CIS had a new principal who incorporated new programs into the curriculum that were not negotiable.

Which of the above reported findings are consistent with findings from other stakeholder feedback sources?

The Faculty Survey in the category of Governance and Leadership had the lowest level of satisfaction or approval with a 70.56% score.

Report Summary

Scores By Section

2017-2018 Title I Schoolwide Diagnostic

Introduction

This diagnostic tool is aligned to the requirements for Title I Schoolwide School as described in section 1114, Every Student Succeeds Act (ESSA). The comprehensive needs assessment (CNA) requirement is met by completing a School Process Profile and Summary Report. The comprehensive needs assessment must be completed prior to creating a new plan or annually updating an existing school improvement plan. Use the results of the comprehensive needs assessment to develop Goals/Objectives/Strategies and Activities. Ensure that the Gap Statements and Causes for Gaps included in the Goals information address all four measures of data: student achievement data, school programs/process data, perceptions data (must include teachers and parents; student data is encouraged), and demographic data. The Comprehensive Needs Assessment must also take into account the needs of migratory children as defined in Title I, Part C, Section 1309(2).

Component 1: Comprehensive Needs Assessment (Sec.1114(b)(6))

How was the comprehensive needs assessment conducted?

The comprehensive needs assessment was conducted through surveys.

What were the results of the comprehensive needs assessment?

Parents and teachers agreed that they wanted smaller class sizes.

What conclusions were drawn from the results?

Title I funds needed to be used to hire more teachers.

What information was concluded as a result of analyzing perception, student achievement, school programs/process, and demographic data?

Faculty survey question 1 stated, "Our school's leaders support an innovative and collaborative culture." This was a low score. The school's reading scores on the 2015 ACT Aspire test was 28% and the 2016 score was 26%. A new principal was brought in to improve instruction resulting in improved test scores. It was difficult for teachers to buy into the new principal's vision. However, when the teachers were shown the 2017 test results in the summer, attitudes changed for the positive. The 2017 ACT Aspire test score was 38%.

How are the school goals connected to priority needs and the needs assessment?

In order to give diverse instruction for students, smaller class sizes are a necessity.

How do the goals portray a clear and detailed analysis of multiple types of data?

Teacher data meetings portray a clear and detailed

How do the goals address the needs of the whole school population and special recognition to children who are disadvantaged?

Having smaller classes allows all students, even those with disadvantages, to have more one-on-one or small group intervention by the teacher.

Component 2: Schoolwide Reform Strategies (Sec. 1114(7)(A)(i)(ii)(iii)(I)(II)(III))

Identify the strategies in the schoolwide plan that provide opportunities for all children, including each of the subgroups of students (economically disadvantaged; students from major racial and ethnic groups; children with disabilities; and English Learners) as defined in section 1111(c)(2) to meet the challenging State academic standards.

Goal 1:

60% of 3rd Grade students will complete the Accelerated Math 3rd Grade Common Core Objectives.

Measurable Objective 1:

A total of 175 Third grade students will demonstrate a proficiency of 100% in Mathematics by 05/11/2018 as measured by mastering the CC objectives.

Strategy1:

AM Objectives - Teachers will insure that students master 4 CC objectives each week during AM instruction time.

Category: Develop/Implement College and Career Ready Standards

Research Cited: State Standards

Activity - AM Objectives	Activity Type	Begin Date	End Date	Funding Amount & Source	Staff Responsible
Teachers will introduce a CC objective, print out an individual work sheet, review one-on-one math instruction with students who need assistance prior to the student putting/scanning the answers into the computer program.	Academic Support Program Class Size Reduction Tutoring Direct Instruction	08/10/2017	05/11/2018	\$9000 - Title I Part A	Principal, Assistant principal, and teachers

Identify the instructional strategies and methods used that strengthen the academic program in the school, increase the amount and quality of learning time, and help provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.

Goal 1:

60% of 3rd Grade students will complete the Accelerated Math 3rd Grade Common Core Objectives.

Measurable Objective 1:

A total of 175 Third grade students will demonstrate a proficiency of 100% in Mathematics by 05/11/2018 as measured by mastering the CC objectives.

Strategy1:

AM Objectives - Teachers will insure that students master 4 CC objectives each week during AM instruction time.

Category: Develop/Implement College and Career Ready Standards

Research Cited: State Standards

Activity - AM Objectives	Activity Type	Begin Date	End Date	Funding Amount & Source	Staff Responsible
Teachers will introduce a CC objective, print out an individual work sheet, review one-on-one math instruction with students who need assistance prior to the student putting/scanning the answers into the computer program.	Tutoring Academic Support Program Class Size Reduction Direct Instruction	08/10/2017	05/11/2018	\$9000 - Title I Part A	Principal, Assistant principal, and teachers

Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, through activities which may include-

- counseling, school-based mental health programs, specialized instructional support services, mentoring services, and other strategies to improve students' skills outside the academic subject areas

- preparation for and awareness of opportunities for postsecondary education and the workforce, which may include career and technical education programs and broadening secondary school students' access to coursework to earn postsecondary credit while still in high school (such as Advanced Placement, International Baccalaureate, dual or concurrent enrollment, or early college high schools

- implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervening services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.)

Goal 1:

60% of 3rd Grade students will complete the Accelerated Math 3rd Grade Common Core Objectives.

Measurable Objective 1:

A total of 175 Third grade students will demonstrate a proficiency of 100% in Mathematics by 05/11/2018 as measured by mastering the CC objectives.

Strategy1:

AM Objectives - Teachers will insure that students master 4 CC objectives each week during AM instruction time.

Category: Develop/Implement College and Career Ready Standards

Research Cited: State Standards

Activity - AM Objectives	Activity Type	Begin Date	End Date	Funding Amount & Source	Staff Responsible
Teachers will introduce a CC objective, print out an individual work sheet, review one-on-one math instruction with students who need assistance prior to the student putting/scanning the answers into the computer program.	Class Size Reduction Tutoring Direct Instruction Academic Support Program	08/10/2017	05/11/2018	\$9000 - Title I Part A	Principal, Assistant principal, and teachers

English Language Proficiency Goal (Should address identified weaknesses and gaps):

Goal 1:

EL Goal - All EL students at CIS will improve speaking.

Measurable Objective 1:

A 2% increase of English Learners students will increase student growth in speaking in English Language Arts by 05/11/2018 as measured by the 2018 ACCESS test..

Strategy1:

Answering Questions - Kay Hilyer, EL teacher, will work with students

Category: Develop/Implement Student and School Culture Program

Research Cited: Academic Support Program

Activity - Speaking and Writing	Activity Type	Begin Date	End Date	Funding Amount & Source	Staff Responsible
Students will write a paragraph and read it out loud	Academic Support Program	08/09/2017	05/11/2018	\$0 - Title III	Kay Hilyer

Describe how the school provides individual student academic achievement results and interpretation of the results to parents of English Learners in a language they can understand.

ACCESS and ACT Aspire test go home to parents. Parents can call the school and set up a meeting to discuss the results. If needed, an interpreter will attend the meeting.

Component 3: Instruction by Qualified Staff (Sec.1112(c)(6))

Label	Assurance	Response	Comment	Attachment
1.	Do all of the instructional paraprofessionals meet the state requirements? If no, what is the number that has not met state requirements and what is being done to address this?	Yes	All paraprofessionals have either had two years of college or have passed the Work Keys test.	Principal Attestation

Label	Assurance	Response	Comment	Attachment
2.	Do all of the teachers meet the state requirements and licensing criteria for the grade levels and subject areas in which the teachers provide instruction? If no, what is the number that has not met state requirements and licensing criteria, and what is being done to address this?	Yes	All teachers at CIS are highly qualified.	Principal Attestation

Describe how staffing decision ensure that highly qualified, well trained teachers provide instruction and how their assignments most effectively address identified academic needs.

At CIS, only highly qualified teachers are interviewed and hired.

Component 4: Strategies to Attract Qualified Teachers (Sec. 1114(7)(A)(iii)(IV))

What is the school's teacher turnover rate for this school year?

CIS' turnover rate for this school year is 19% because two teachers moved, 5 transferred to other school's within the County, and two moved outside of the County.

What is the experience level of key teaching and learning personnel?

81% of the faculty is tenured.

If there is a high turnover rate, list initiatives the school or school district has implemented to attempt to lower the turnover rate (recruitment and retention strategies).

It is expected to have some teachers retire; however, this past year saw an influx of teachers that transferred to other schools to be closer to home and family. With non-tenured teachers, it is important to have great mentors to work with them to insure new teachers understand Clanton Intermediate School's high expectations for student achievement.

Component 5: High Quality and Ongoing Professional Development (Sec. 1114(7)(A)(iii)(IV))

Describe how data is used from academic assessments to determine professional development.

Data is reviewed to determine teachers' needs. In house PD will be conducted through turn-around training on various programs. Future visits to schools, meaningful workshops, and conferences are also planned.

Identify the professional development opportunities for teachers, principals, paraprofessionals, and other school personnel to improve instruction.

Professional Development is aimed at addressing teachers', administrators', paraprofessionals, and staff needs. In-house PD will be conducted through turn-around training on various programs. Future visits to schools, meaningful workshops, and conferences are also planned. School planned activities will address parent PD.

Identify the teacher mentoring activities included in the schoolwide plan. For example, new or inexperienced teachers are given support from an assigned master teacher.

The State of Alabama has developed a mentoring program for first year teachers. It will be followed to fidelity.

Describe how all professional development is "sustained and ongoing."

Mentor teachers meet weekly with their mentees.

Component 6: Transition Strategies (Sec.1114(7)(A)(iii)(V))

Identify the strategies in the schoolwide plan that support and assist students in transitioning from one grade level to the next. For example, preschool preparation for Kindergarten and/or eighth grade transition to high school and/or high school to college/work force.

Goal 1:

CIS will increase Oral Reading Fluency on the End of Year DIBELS test.

Measurable Objective 1:

A 5% increase of Third grade students will demonstrate a proficiency in ORF Words Correct from 63% to 68% in Reading by 05/11/2018 as measured by the 2018 End of Year DIBELS assessment..

Strategy1:

Fluency Skills - Teachers will develop fluency centers for daily practice. Teachers will progress monitor Intensive students each week, strategic students bi-monthly and graph their improvement.

Category: Develop/Implement Research Based Best Practices for Continuous Improvement

Research Cited: DIBELS

Activity - Progress Monitoring	Activity Type	Begin Date	End Date	Funding Amount & Source	Staff Responsible
Official DIBELS passages will be used to weekly assess Intensive students and bi-monthly to assess Strategic students.	Academic Support Program	08/21/2017	05/11/2018	\$382 - General Fund	Administrators, Reading Coach, and Teachers

Narrative:

Second Grade students from Clanton Elementary School visit Clanton Intermediate School each spring and Clanton Intermediate fifth grade students visit Clanton Middle School each spring.

Component 7: Teacher Participation in Making Assessment Decisions (Sec.1114(b)(2))

What measures are in place to include teachers in decisions regarding the use of results of statewide academic assessments?

Faculty meetings and data meetings are held at the beginning of the school year to disaggregate the data. Monthly faculty meetings and data meetings are held throughout the school year as on-going measures to review improvement of instruction and academic success.

Component 8: Timely and Additional Assistance to Students Having Difficulty Mastering the Standards (Sec.1114 (7)(A))

What is the process to identify students who experience difficulty mastering the State's academic achievement assessment standards at an advanced or proficient level?

Individual student data is reviewed to identify students who are not proficient. Monthly meetings are held to monitor these students academic improvement.

How is timely, effective, additional assistance provided to students who are experiencing difficulty mastering the State's academic achievement assessment standards at an advanced or proficient level?

Individual student data is reviewed to identify students who are not proficient. Monthly meetings are held to monitor these students academic improvement.

Describe how the school provides opportunities for the most academically needy students to receive support and reinforcement of academic skills BEYOND THE REGULAR SCHOOL DAY.

Individual student data is reviewed to identify students who are not proficient. Monthly meetings are held to monitor these students academic improvement. Individual computer research based programs are being implemented and progress is being charted.

Describe procedures used to address challenges for each group of Migrant, English Language Learners, Economically Disadvantaged, Special Education, Neglected and/or Delinquent, and Homeless Students.

Tiger Trails, a Clanton Elementary School after-school program and the YMCA have joined forces this year creating the Chilton County Children's Club which provides tutoring in various subjects and assistance with homework.

Special Populations as listed in the Carl D. Perkins Career and Technical Education Act of 2006 - Describe procedures used to address challenges for each group of individuals with disabilities, individuals from economically disadvantaged families (including foster children), individuals preparing for non-traditional fields, single parents (including single pregnant women), displaced homemakers, and individuals with limited English proficiency.

Chilton County School System programs are in place to assist these students. Further, at Clanton Intermediate School there is a part time EL instructor, Reading Coach, and 6 Special Ed teachers to assist students.

Component 9: Coordination and Integration of Federal, State and Local Programs and Resources (Sec.1114(b)(V))

List the State, Federal and local programs that are consolidated/coordinated in the schoolwide program and describe how all programs and resources are coordinated and integrated toward the achievement of the schoolwide goals.

All general ed teachers at Clanton Intermediate School are Title I teachers. The EL teacher, Special Ed teachers, and the Reading Coach communicate in meetings with the general ed teachers to review student progress in an effort to meet schoolwide goals.

How does the school coordinate and integrate the following Federal, State and local services in a manner applicable to the grade level to support achievement of the schoolwide goals: violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education programs, and schools implementing comprehensive support and improvement activities or targeted support and improvement activities under section 1111(d)?

All general ed teachers at Clanton Intermediate School are Title I teachers. The EL teacher, Special Ed teachers, and the Reading Coach communicate in meetings with the general ed teachers to review student progress in an effort to meet schoolwide goals. All teachers have access to a school Google calendar which is maintained; so, all teachers know when meetings are held.

Component 10: Evaluation (Sec.1114(b)(3)):

How does the school evaluate the implementation of the schoolwide program?

Spring surveys will be administered in the spring, results from data meetings, and 2017 ACT Aspire test results will be reviewed as an evaluation for implementation of schoolwide programs.

How does the school evaluate the results achieved by the schoolwide program using data from the State's annual assessments and other indicators of academic achievement?

Administrators, Reading Coach, and teachers will disaggregate data from the 2017 ACT Aspire tests to evaluate the success of schoolwide programs.

How does the school determine whether the schoolwide program has been effective in increasing the achievement of students who are furthest from achieving the standards?

Administrators, Reading Coach, and teachers will disaggregate data from the 2017 ACT Aspire tests to evaluate the success of schoolwide programs. An evaluation of different components of the test will indicate which programs were more successful.

What process is followed by the school to revise the plan as necessary, based on the evaluation, to ensure continuous improvement of students in the schoolwide program?

Once the 2017 ACT Aspire test scores are disaggregated and evaluations made regarding programs, a new plan will be developed for the 2017-2018 school year.

2017-2018 Coordination of Resources - Comprehensive Budget

Introduction

List all federal, state, and local monies that the school uses to run its program.

2017-2018 Parent and Family Engagement

Introduction

All Title I Schoolwide and Targeted Assistance Schools must complete the following diagnostics: the Stakeholder Feedback Diagnostic, the Parent and Family Engagement Diagnostic, the Coordination of Resource/Comprehensive Budget Diagnostic, and EITHER the Title I Targeted Assistance Diagnostic OR the Title I Schoolwide Diagnostic. Parent Survey must be done annually, but it can be done electronically or by paper.

Parent and Family Engagement

Describe how the school will convene an annual meeting to inform parents of the school's participation in Title I and explain Title I requirements, including the 1% set-aside, and the right of parents involved. (Sec. 1116(c)(1))

After applying for Title I status, a school receives Title I money based on free and reduced lunch percentages. Surveys are conducted to determine school needs. A meeting is held to review needs and determine how money is spent. An annual meeting is held at the beginning of school where a power point is used to inform parents of their rights, the program, and how the money is spent.

Describe: 1) How there will be a flexible number and format of parent meetings offered, such as meetings in the morning or evening, and may provide, with funds provided under this part, transportation, child care, or home visits, as such services relate to parental involvement; 2) How parents will be involved in the planning, review and improvement of the Title I Program (Note: State the school's process for how all Title I parents have the opportunity for involvement in decision-making.); and 3) How funds allocated for parent involvement are being used in the school. (Sec. 1116(c)(2)(3))

Clanton Intermediate School has an open-door policy for meeting with parents. Also, formal schoolwide meetings are held periodically and teacher conferences are held at the request of the teacher or parent. Parents have input into the planning and reviewing of the schoolwide plan through surveys and meetings. Title I parental funds are allocated for take home folders, school messenger program, report cards, and a school guide for Clanton Elementary School students.

Describe how the school provides parents of participating children timely information in a uniform format and, to the extent practicable in a language they can understand, about programs under Title I, a description and explanation of the curriculum in use, forms of academic assessments, and achievement expectations used, and, if requested by parents, opportunities for regular meetings to formulate suggestions and participate as appropriate in decisions related to the education of their children. (Sec. 1116(c)(4)(A)(B)(C))

The following are ways that Clanton Intermediate School communicates information regarding school activities, academic success, curriculum, and programs: weekly newsletters, daily take home folders, school-website, school messenger, progress reports, report cards, meetings, conferences, and individual phone calls.

Describe how parents, the school staff, and students share responsibility for improved student academic achievement for participating students (How the School-Parent Compact is jointly developed with Title I parents; how it is used, reviewed, and updated). (Sec.1116(d))

Parents, teachers, administrators, and students review the School-Parent Compact and make changes that are necessary. Students, parents, teachers, and administrators all sign the compact at the beginning of the school year. When necessary it is reviewed.

Describe procedures to allow parents to submit comments of dissatisfaction with the Continuous Improvement Plan. (Sec. 1116(c)(5))

Parents may call or meet with the administrators or with teachers to express a concern regarding the Plan.

Describe how the school will build capacity for parental involvement including how parents will be encouraged to become equal partners in the education of their children? (See ESSA Sec. 1116, requirements for building capacity and parental and family engagement).

To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, our school:

Shall provide materials and training to help parents to work with their children to improve their children's achievement, such as literacy training and using technology, as appropriate, to foster parental involvement. (Describe)

CIS has an open door policy to meet with parents when needed. Teachers schedule conferences to review concerns. Parents may call or email the administrators or teachers when needed.

Describe how the school will build capacity for parental involvement including how parents will be encouraged to become equal partners in the education of their children? (See ESSA Sec. 1116, requirements for building capacity in parental involvement.)

To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, our school:

Shall educate teachers, office personnel, and other school staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school. (Describe)

Parents will be invited to meetings held periodically throughout the year to explain programs, take home folders go home daily, school messenger is used, school website is updated regularly, and technology is made available for parents to apply for free and reduced lunch.

Describe how the school will build capacity for parental involvement including how parents will be encouraged to become equal partners in the education of their children? (See ESSA Sec 1116, requirements for building capacity in parental involvement.)

To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, our school:

Shall to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other federal programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children.(Describe)

CIS staff and faculty are trained to warmly invite parents to participate in school activities. Parents are greeted with a servants voice in the office. Further, teachers, staff, and administrators open car doors in the morning and afternoon to greet students and parents in a friendly manner.

Describe how the school will build capacity for parental involvement including how parents will be encouraged to become equal partners in the education of their children? (See ESSA Sec. 1116, requirements for building capacity in parental involvement.)

To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, our school:

Shall ensure that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format and, to the extent practicable, in a language the parents can understand. (Describe)

Parents are invited to meetings to train them on programs that are being used at CIS. Parents are also invited to use computers at CIS to complete forms.

Describe how the school will build capacity for parental involvement including how parents will be encouraged to become equal partners in the education of their children? (See ESSA Sec. 1116, requirements for building capacity in parental involvement.)

To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, our school:

Shall provide such other reasonable support for parental involvement activities as parents may request. (Describe)

Newsletters, AR reports, AM reports, Reflex math reports, and graded papers go home weekly. School messenger is used to notify parents of upcoming events and to deliver important information.

Describe how the school will ensure the provision for participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports required under section 1111 in a format and, to the extent practicable, in a language such parents understand. (See ESSA Sec. 1117(f))

The Chilton County School System has an EL teacher, who is fluent in Spanish, on staff. Upon request she meets with parents, teachers,

and in IEP meetings. She also is available by phone to assist parents and staff and faculty members at CIS. Further, she holds workshops and classes to assist parents in Chilton County to learn how to monitor the academic success of their children.
