Parents,

Enclosed you will find the Suggested Summer Reading lists for the schools of Clarke County. When selecting these titles, the teachers kept in mind that reading during the summer should be fun and relaxing. We hope you can encourage and support the students of Clarke County to read for fun and relaxation throughout the summer. Our schools have worked hard all year long developing young readers and we cannot afford two months without reading. Teachers are planning methods for assessing students on what they read during the summer, but I can assure you the purpose will be for credit not punishment. The board of education has established a great partnership with the local city libraries to help with the circulation of the books on our lists. In addition to this partnership, Gillmore, Jackson Intermediate, Grove Hill Elementary, Wilson-Hall Middle, and Coffeeville High will have limited summer library hours.

If you have any questions about the Suggested Summer Reading lists or the limited summer school library hours please call your child's school Monday through Thursday between the hours of 8:00 A.M. and 4:00 P.M.

Best Regards,

Kyle Kallhoff
