

Lyeffion Junior High School

Parental Involvement Plan

2015-2016

Mrs. Rita Grace Nettles-Armstrong, Principal

Lyeffion Junior High School believes positive parental involvement is essential to achieving, fostering, and developing the overall growth academically, socially, emotionally, and physically, of each individual student, so that he/she might have the opportunity to reach their fullest potential to become a well-rounded productive citizen in our society.

Lyeffion Junior High School recognizes the necessity of a quality education for all students. As an educational community we recognize the legal and moral obligation for the implementation of such programs, and the involvement of parents/guardians of Title I students in the process. Parental Involvement shall include, but not be limited to establishing partnerships with parents and community members. Lyeffion Junior High should encourage participation in the design, implementation, and evaluation of the Local Educational Agency's (LEA) Title I Parent Involvement Plan and activities as outlined in the No Child Left Behind (NCLB) Act of 2001.

Strategies to Increase Parental Involvement

Development of the Continuous Improvement Plan/Parental Involvement Plan

Lyeffion Junior High School will:

Develop programs, activities, and procedures for the involvement of parents and community stakeholders. The intent of these parental involvement activities shall be to encourage and support the combined efforts of home, school, and community in improving the educational opportunities of Title I-served students. These activities will include but not limited to:

- ❖ ***Title I Program Planning/Evaluation.*** The Parental Involvement Team will meet in May 2016 to evaluate and discuss the findings of the Parent Survey. Parents are members of the Continuous Improvement Title I Advisory Committee and are integral in the development and implementation of the CIP which includes the Parental Involvement Plan.
- ❖ ***Open House.*** The school will host an Open House on August 18, 2015. The purpose of the meeting will be an opportunity for parents to learn about AYP, School Improvement, County and State Common Core standards, Title I, and meeting of teachers. Parents will be given a copy of the Title I Parental Involvement Plan and the School-Parent Compact. Copies will also be available in the school's front office.

- ❖ ***Statewide Parenting Day.*** The school will host the Statewide Parenting Day on October 19, 2015. Parents will be encouraged to attend this day through a variety of media methods: newsletters, flyers, graded folders, newspaper, website, and current event sign. Opportunities for parents to volunteer will be available on this day.
- ❖ ***PTO meetings.*** The school will host PTO meetings every nine weeks that will give parents valuable resources to maximize success across the curriculum.
- ❖ ***Parent Survey.*** An annual parent satisfaction survey will be administered in February with results following in March. The purpose of the survey is to evaluate the effectiveness of parent involvement programs. The findings will be reviewed by the Parental Involvement Committee and will be used to drive parental involvement for the 2016-2017 school term.
- ❖ ***Additional opportunities.*** Parents will be given additional opportunities to engage in parental involvement through blackboard connect, parent newsletters, flyers, newspaper, website, and current event sign.

Please detach the bottom portion and return it to the school.

I have received a copy of the Parental Involvement Plan for Lyeffion Jr. High School for the 2015-2016 school year.
