Annual Report

FAITH • FAMILY • FUTURE
JEREMIAH 29:11

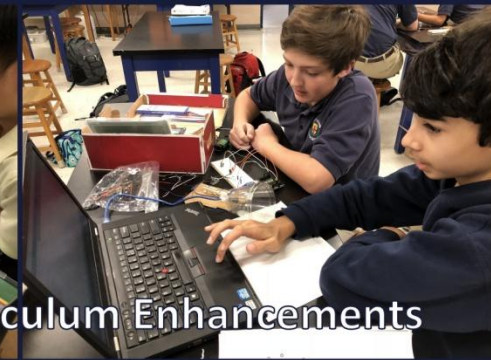

Dear Warrior family,
 We are excited to share the 2017-2018 Annual Report with our parents, alumni and friends. The Annual Report is a simple way to say thank you for your commitment to Cottage Hill Christian Academy and to give you a synopsis of how your giving has made a significant impact on our school.
 The 2017-2018 school year was a great time for CHCA. We opened the school year with the second highest enrollment in school history with over 650 students grades K-2 through 12. New staff members and positions were added to our family and they brought great energy and some new and fresh ideas to our both our Church and West Campus. The class of 2018 scored well as a group on the ACT and received 5.3 million dollars in merit-based scholarships. New events were added to school year that provided more opportunities for the Warrior family to fellowship together.
 Our mission continues to be helping our students reach their God-given potential academically, spiritually and socially. Your generosity helps us provide the resources need to help our students to reach their potential. Our motto is Faith-Family-Future and the Legacy Fund dollars help us in our journey to see your students grow in their faith, in a family atmosphere, while preparing them for the future. This year we are being more intentional in our journey to produce servant leaders for Christ. We hope to achieve this through our Chapel small groups, the return of both FCA and SGA in our middle school grades and by challenging our students to not only participate, but to LEAD!
 Thank You again for your generosity! We appreciate the confidence you have shown us by choosing CHCA as your educational partner. Together we can achieve great things!

God Bless and Go Warriors!

Jimmy Messer
