Alabama Student Loan Program

Contact: Alabama Student Loan Program, 100 North Union Street, Suite 308, Montgomery, AL 36104, phone (800) 721-9720, fax (334) 265-9750, website www.alstudentaid.com

Loans

Federal PLUS Loan (Federal Family Education Loan Program [FFELP])

Eligibility: Must be the parent or step-parent of a dependent undergraduate student as determined by the school or be a graduate or professional student; be a citizen, permanent resident, or eligible noncitizen of the United States and verify Social Security number and immigration status; not be in default or owe a refund on any educational grant or loan; and not have an adverse credit history under federal regulations. The student must be a citizen, permanent resident, or eligible noncitizen of the United States; be enrolled or accepted for enrollment at least half-time in an eligible degree or certificate program at an eligible school; be in good standing and making satisfactory academic progress if currently enrolled; not be attending elementary or secondary school; and not be in default or owe a refund on any educational grant or loan unless satisfactory arrangements have been made toward repayment.

Repayment: Repayment begins within 60 days after the loan is fully disbursed. Payments on principal may be deferred under certain circumstances. Interest begins to accrue upon disbursement and must be paid monthly or quarterly or be added to the principal. PLUS Loans have a fixed interest rate of 8.5%.

Award: The annual loan amount may not exceed the student's estimated cost of attendance minus any other financial aid the student receives. There is no limit on the total amount a parent can borrow

during a student's college years.

Number: Unlimited

Deadline: The financial aid office at the school the student plans to attend must certify the loan application on behalf of the student at the earliest opportunity before or during the student's enrollment period.

Federal Stafford Loan (FFELP)

Eligibility: Must be an undergraduate, graduate, or professional student; be a citizen, permanent resident, or eligible noncitizen of the United States; be enrolled or accepted for enrollment at least half-time in an eligible degree or certificate program at an eligible school; have a high school diploma or its equivalent; be in good standing and making satisfactory academic progress if currently enrolled; and not be in default or owe a refund on any federal education grant or loan unless arrangements have been made to repay the debt.

Students must demonstrate financial need to qualify for a *subsidized* loan. The federal government pays the interest while the student is in school, during authorized deferment periods, and for six months after the student ceases to be enrolled at least half-time. The borrower begins paying the interest and principal when the loan enters repayment.

Students do not have to demonstrate financial need to qualify for an *unsubsidized* loan. Unlike a subsidized loan, the borrower must begin paying the interest immediately. Interest on an unsubsidized loan may be paid monthly or quarterly or added to the principal balance.

Financial need is determined for the subsidized loan before eligibility is determined for the unsubsidized loan.

The Stafford Loan amount for an academic period cannot exceed the student's cost of attendance (as determined by the school) minus the student's estimated financial assistance and, if the loan is subsidized, expected family contribution. Schools will determine the student's eligibility.

Repayment: Several repayment plans are available. Six months after the borrower leaves school or drops below

half-time status, repayment begins on a subsidized loan. Repayment on an unsubsidized loan begins immediately upon disbursement but may be delayed until 6 months after the borrower leaves school or drops below half-time status; however, interest begins to accrue upon disbursement. The interest rate is fixed at 6.8%.

Award: A borrower may receive a subsidized loan, an unsubsidized loan, or both for an academic period. However, the total amount received may not exceed the loan limits for each academic year based on the borrower's dependency status and grade level and the length of the program of study in which the borrower is enrolled. The current loan limits are:

Grade Level	Dependent Status	Independent Status
First Year	\$2,625	\$6,625
Second Year	\$3,500	\$7,500
Each Remaining Year of Undergraduate Study	\$5,500	\$10,500
Each Year of Graduate/Professional Study	\$8,500	\$18,500

Number: Unlimited

Deadline: The financial aid office at the school the student plans to attend must certify the loan application on behalf of the student at the earliest opportunity before or during the student's enrollment period.

Federal Consolidation Loan (FFELP)

Eligibility: Must be in grace period or repayment status on all loans being consolidated, have made satisfactory repayment arrangements with the holder of each loan (if a delinquent or defaulted borrower) or agree to repay the consolidating lender under an income-sensitive repayment plan, not be subject to a judgment secured through litigation or wage garnishment unless judgment has been vacated or wage garnishment lifted, not have a Consolidation Loan application pending with another lender, and consolidate with the current lender

unless the borrower has multiple lenders and/or his or her lender does not offer a Consolidation Loan with income-sensitive repayment plan. If a borrower and spouse both want to consolidate their loans into one Consolidation Loan, they must agree to be jointly and individually responsible for repayment, without regard to the amount each owes and any change in marital status.

The following loans can be consolidated: Federal Family Education Loans (subsidized and unsubsidized Stafford, formerly Guaranteed Student Loans; PLUS; Supplemental Loans for Students [SLS], formerly Auxiliary Loans to Assist Students [ALAS]; and Consolidation); Federal Insured Student Loans (FISL); Federal Perkins Loans, formerly National Direct/Defense Student Loans; Health Education Assistance Loans (HEAL); Health Professions Student Loans (HPSL), including Loans for Disadvantaged Students (LDS); Federal Nursing Student Loans; and Federal Direct Loans (subsidized and unsubsidized Stafford, PLUS, and Consolidation). New loans may be added if the request is received by the consolidation lender within 180 days of the date the Consolidation Loan is made.

Repayment: The repayment period depends on the amount of the Consolidation Loan. Other student loans are considered when calculating the repayment period. The consolidation lender must offer the choice of a graduated or income-sensitive repayment schedule. If none of the holders of the loans can provide an income-sensitive repayment schedule, the borrower may obtain a Consolidation Loan from another lender. Except for the portion of the Consolidation Loan attributable to HEAL, the interest rate is a fixed rate of 8.25% or the weighted average of the interest rates on the loans being consolidated, rounded to the next higher 1/8 of 1%, whichever is less.

The interest rate on the HEAL part of the loan (if applicable) varies and is set each July 1. The variable rate for each 12-month period is equal to the average of the bond equivalent rate of the 91-day

Treasury bills auctioned for the quarter ending June 30, plus 3%. The 8.25% interest rate cap does not apply.
