SCHOOL CAFETERIA

We have a Self-Service/Offer vs. Serve Lunch Program. Students serve themselves. Students are offered selections from the following five categories: milk, bread, meats, vegetables, and fruits. We encourage prepayments for meals by the week, month, or even year. Students are issued a 4-digit PIN number that will go with them through all school years at Dale County schools. When students enter the PIN number, their account is reduced by meals purchased and any *ala carte* purchased. Account information is available from the lunchroom manager to parents at any time. Any balance remaining at the end of the year will transfer with the student to the next grade level or school within the Dale County School System. It is the intent of Dale County Schools to provide an opportunity for each student to eat a nutritious breakfast and lunch during the school day. It is necessary for all meals to be paid for before or at the time of service. Students are encouraged to make regular deposits into their school meal account.
