

Long Elementary School

KINDERGARTEN

JUMP START

Dale County Schools will offer a free Kindergarten Jump Start program to all incoming kindergarteners. Students will come to our school to work with the kindergarten staff in age-appropriate activities that include circle time, snack, art, and learning centers. One of our goals for this program is to help children and parents become comfortable with the transition to school. Transportation will not be provided by the school system. Parents will be responsible for their child's transportation needs.

We will also offer a parent meeting the first day of our Jump Start program. During the parent meeting:

- You will learn about our kindergarten program and how to support your child's learning
- Take home materials to support your child at home
- Meet the principal, kindergarten teachers, and other staff

Kindergarten Jump Start will be held July 22, 2019-July 24, 2019 from 8:30-11:30 each day.

Please complete the form below and return it with your enrollment forms. If you have any questions, please contact the office at 334-774-0021.
