Dear Parents and Students:

I would like to welcome you to the 2012-2013 school year. The Elmore County School System is committed to providing a positive educational experience for all students in our school system. It is my belief that a student’s best interest is served when parents and school personnel work closely together. The administration, faculty, and staff of each school are enthusiastic about all of us working collaboratively to reach the goal of producing competent, productive citizens.

When students begin classes this school year, it is important that they understand the school’s basic procedures, expectations, rules, and regulations. This student handbook will provide valuable information leading to another safe, healthy, and educationally sound year. We consider every student to be a unique individual, and we will do everything we can to see that all students have a positive educational experience that is right for them.

The first weeks and months of school are most important. Parents, please help your child develop a positive attitude toward school. If a child is healthy, happy, and encouraged by you to enjoy school, the chances for success are much greater.

Again, we welcome you and look forward to working with you during this school year and in the years to come.

Yours in promoting education,

Dr. Jeffery E. Langham
Superintendent

ELMORE COUNTY PUBLIC SCHOOLS STUDENT ATTENDANCE POLICY

All students, regardless of age, enrolled in the Elmore County School System are required to be in continuous attendance at their designated school. Prompt and regular attendance at school provides students with the skills needed for future success and aids in the development of good character. While occasional absences are unavoidable, state law places the responsibility for regular attendance upon the parent/guardian. The Code of Alabama (16-28-15) requires that a written note from the parent/guardian stating the reason for the absence must confirm every absence (to include check-outs and check-ins) within three school days. Failure to furnish the written explanation for the absence may result in the student being considered truant with the knowledge of the parent/guardian or person in control of the student. Participation in legitimate school activities or special reasons acceptable to the principal may be excused if permission is granted prior to the absence. Students with excused absences may make up the work missed. Students with unexcused absences will receive zeros for the academic work that took place during the unexcused absences and will not be allowed to make up the academic work missed.

Grades K – 6

In grades K-6, when a student has accumulated seven (7) excuses that have not been verified by a physician’s statement, the student may be required, at the discretion of the principal, to secure such a statement for all future absences.

Any student in grades K-8 who has accumulated more than twenty (20) excused or unexcused absences may be considered for retention.

Grades 7 – 8

Students in grades 7 -8 who accumulate ten (10) excuses that have not been verified by a physician’s statement may be required, at the discretion of the principal, to secure a physician’s statement for all future absences.

Grades 9 – 12

Students in grades 9 – 12 who accumulate ten (10) excuses within a school year that have not been verified by a physician’s statement may be required, at the discretion of the principal, to secure a physician’s statement for all future absences.

Students in grades 9-12 who accumulate more than seven (7) unexcused absences in a class may be denied credit for that course. Students in grades 9-12 who accumulate more than 4 unexcused absences in an eighteen-week class may be denied credit for that course. Required court appearances and physician-verified absences are considered excused absences. In grades 9-12, when a student has accumulated ten (10) excuses for illness that have not been verified by a physician’s statement, the student may be required, at the discretion of the principal, to secure such a statement for all future absences.

Excused Absences

Written documentation must be submitted no later than three (3) days after the student’s return to school. After three (3) days an excuse will not be accepted and the absence will be regarded as truancy.

1. Illness
2. Legal quarantine  
3. Court-required appearance  
4. Death in the immediate family  
5. Inclement weather which could be dangerous to the life and health of the child as determined by the principal  
6. Emergency conditions as determined by the superintendent or principal  
7. Prior permission of the principal with consent of the parent/guardian

On the day of the student’s return to school, he/she must arrange with the teacher for make-up work to be completed at a mutually agreed upon time. If the student fails to make arrangements or fails to meet the deadline, he/she will receive a zero for the missed work unless another excused absence has occurred.

Students who are out of class due to college day or other approved activities should be prepared to complete make-up work the day that they return to school.

For excused absences of five (5) consecutive days or more, consideration should be given to the volume of make-up work required. The teachers should cooperate to establish a reasonable schedule for submission of make-up work. Make-up work for a preceding nine weeks should be completed within two weeks of the next nine weeks, unless there are extenuating circumstances. (FILE: JQH Policy Manual for pregnant students)  

**Unexcused Absences** (Make-up work not permitted except for suspension)  
1. Failure to register or start to school on time  
2. Truancy  
3. Missing a bus or ride  
4. Suspension – opportunity for make-up academic work is provided for 1st suspension only  
5. Unauthorized trips, such as family vacations without prior permission, shopping, hunting, fishing, ball games, etc.  
6. Birthdays or other celebrations  
7. Updating an expired immunization form  
8. Any absence for which a written excuse was not provided within three (3) days

**CHECK-OUT / CHECK-IN**  
Checkouts, check-ins, and tardies will be considered as absences from those class periods missed and treated as any other absence (to include. (FILE: JBE Policy Manual)

1. Students who leave school for any reason must check-out through the school office following their school’s check out procedure.

2. Only persons whose names appear on the school’s registration form may check out students, unless the school receives permission in writing in advance from the parent/guardian.

3. Written permission is to be given first by the parent/guardian or “emergency person” shown on the school’s registration form before each check-out, except in cases of sudden illness, accident, or similar incident where telephone confirmation is the only alternative.
4. Check-ins and check-outs are considered absences in classes missed. 
   Excused/Unexcused will be determined at the time of check-out. Students 
   may, at the school’s discretion, be required to bring a written note when 
   they return to school from a check-out.

   Truancy Grades K – 12

The parent/guardian must be notified in writing by the school when a student has 
accumulated one (1) unexcused absence. **By law, all absences that are not explained 
by a written excuse within three school days, are consider truant.** At that time the 
parent will be provided a copy of Alabama’s compulsory school attendance laws and 
advised of the penalties and procedures that will be followed in the event of further 
unexcused absences. If a parent/guardian believes that the school’s attendance record is 
in error they should contact the school.

The principal or designee must notify parent/guardian with a written notice when a 
student has accumulated three (3) unexcused absences. Failure to notify the 
parent/guardian would result in the student continuing in good status even if absences 
ceed the maximum number of absences.

Upon the fifth (5th) unexcused absence, a follow-up letter and telephone call scheduling 
a conference with the parent/guardian, student, and attendance supervisor will be 
required. This conference should be held at the school within one school week of the 
written notification. At this meeting, the parent/guardian and student will be notified the 
following consequences may occur if any more unexcused absences are accumulated 
during the remainder of the school year:

- Participation in the Early Warning Truancy Prevention Program provided by the 
  juvenile court.
- Possible referral to the Helping Families Initiative Program
- Possible retention/denial of credit
- Appearance in juvenile court

**Failure to attend the school conference for five (5), or more, unexcused absences 
may result in a referral to the Early Warning Truancy Prevention Program.**

If a student accumulates seven (7) unexcused absences, the Elmore County Attendance 
Coordinator will, within ten (10) school days, file a request with the Elmore County 
Juvenile Probation office for an Early Warning Truancy Conference. This will require 
the parent’s/guardian’s and student’s attendance at a meeting with the Elmore County 
Attendance Coordinator and the Chief Juvenile Probation Officer at an **Early Warning 
Truancy Prevention Conference.**

**Failure to attend the Early Warning Truancy Prevention Program may result in a 
petition being filed by the Elmore County Attendance Coordinator for the 
parent/guardian and student to appear in juvenile court and/or referral to the 
Helping Families Initiative Program.**

If a student accumulates an additional truancy after an Early Warning Truancy 
Conference, or if the parent and student do not attend a scheduled Early Warning 
Truancy Conference the family may be referred to the Helping Families Initiative
program. If a student accumulates three (3) additional unexcused absences after an Early Warning Truancy Conference during the school year for a total of at least ten (10) unexcused absences the Elmore County Attendance Coordinator will, within ten (10) school days, file a petition for the parent/guardian and the student to appear in juvenile court.

Grades 9-12 Denial of Credit

Upon the fifth (5th) unexcused absence, a follow-up letter and telephone call scheduling a conference with the principal, guidance counselor, student, and/or teachers will be required. The student and the parent/guardian will be notified at the conference that he/she may be denied credit.

If a student receives seven (7) unexcused absences in a course, a conference will be held with the parent/guardian, student, and principal. At this conference the principal shall determine if credit is to be denied.

Eighteen-Week Courses (1/2 Credit)

If a student receives four (4) unexcused absences in an eighteen-week course, a conference will be held with the parent/guardian, student, and principal. At this time, the student will be notified that he/she may be denied credit for the course.

LICE POLICY

If a student is identified as having an active head lice infestation, he/she will be sent home immediately for treatment. The student may return to school as soon as the parent/guardian provides the school with proof of appropriate treatment and no evidence of live lice or nits within ¼ inch of the scalp. Excused absences for lice control will be limited to two consecutive (2) days per occurrence. Two days is a reasonable length of time to correct the lice problem. Any length of time after two (2) days will be considered UNEXCUSED.

The parent/guardian must accompany the student to school for the reexamination by authorized school personnel before the student may return to the classroom.

Persons who need additional information on lice control may contact their child’s school.

STUDENT ADDRESS VERIFICATION PROCEDURES

Elmore County Board of Education has established zones for students and requires each student to attend the school in his/her zone. All attendance zones will be strictly enforced. Every student enrolled and/or enrolling in the Elmore County school system must verify his/her residence. For verification of residence, a street address is required that corresponds to a 911 address. A post office address not be accepted for verification.

New students enrolling in the Elmore County Public School System:

The parent or guardian of each child must complete an address verification form and provide school officials with two of the following documents: a property tax record; a
Students currently enrolled in the Elmore County Public School System:

- If a student’s residence has not changed from the address verified the previous year, the parent/guardian needs only to complete an address re-verification form.

- If a student’s residence changes at any time, the parent/guardian must complete an address verification form and provide school officials with two of the following documents: a property tax record; a deed or mortgage; an apartment or home lease; a utility bill; a driver's license; a voter identification or registration; an automobile registration; homeowners insurance policy.

SCHOOL ARRIVAL AND PICK-UP TIME FOR PRIVATELY TRANSPORTED STUDENTS

No student should be present on school property more than thirty minutes prior to the official school day or remain on school property more than thirty minutes after the close of the official school day. Please check with the school for the exact times for the school day. Exceptions are students who are enrolled in an on-site school extended day program, participating in an authorized extracurricular school activity or program, or authorized by the school principal. School start and dismissal times vary within each community. Please check with your child’s school for the correct start and dismissal times.

VISITORS

Parents are welcome at any time, and they are encouraged to visit classes and to attend school-sponsored activities.

- For the safety of all, visitors including parents must obtain a visitor’s badge and sign-in in the school’s office.
- Visitors are to wear the visitor’s badge at all times. The badge must be visible.
- Permission cannot be granted for students to invite school age or younger friends or relatives to spend the day at school.

TARDIES

Tardy to School - Students are required to report to their school no later than the official beginning of the school day.

Tardy to school is excused for the same reasons as absences. (Please refer to page seven of the Elmore County Student Handbook for reasons). Personal vehicle problems or missing the school bus will not be considered an excused tardy. All students are provided with bus transportation. Unexcused tardiness may result in disciplinary action. Only an excused tardy will permit academic work to be made up. Any exceptions to this tardy policy will be reviewed by the administration.
After 20 excused tardies, a doctor’s excuse is required for each successive tardy. Please note that a student will not be eligible for a perfect attendance certificate if the student has a tardy.

**Note:** If a student chooses to drive or ride to school in a private vehicle, be aware that tardies due to this type of transportation to school are unexcused. All students are provided bus transportation.

**Tardy to Class** - A student is considered tardy to class when he/she is not in the classroom when the tardy bell rings.

**GRADES 5 - 8**

Students are to report to class for roll check before participating in any other scheduled activity. A student reporting to class more than 10 minutes after class has started will be considered skipping that class.

**GRADES 9-12**

Instructional periods are approximately 50 minutes (this may vary somewhat between schools). Students are expected to be in their assigned classroom ready for work when the tardy bell rings. Students who report to class more than 10 minutes late without a written excuse from a faculty member are considered skipping class. Students who are more than 25 minutes late to class unexcused will be considered absent from that class. The accumulation of tardies starts over at the beginning of each new nine-week grading period.

**GUIDELINES FOR PROMOTION**

**Introduction**

It is expected that with appropriate instruction, motivation, and attendance most students will be able to achieve at a satisfactory level that will prepare them for instruction at the next grade. It is intended that the instructional program will provide appropriate instruction and support services to enable all students to perform at their appropriate grade level.
Grades K-6

A variety of teaching strategies will be used at each grade level to increase the probability of students achieving a level of academic mastery, which will enable them to benefit from instruction at the next grade level. Those students who have not mastered the necessary skills may be retained twice during grades K-6. **One year of prefirst will count as a retention.**

**Kindergarten**

On Parent Report Day in September, teachers will review the promotion policy form with parents. The Promotion Policy Form will be sent home with the kindergarten students with the first, second, and third nine-week report card. It will also be sent home with the fourth nine-week progress report. It is the teacher’s responsibility to make a copy of the promotion/retention policy form before sending it home to parents.

**Pre-First**

Criteria for placing kindergarten students in pre-first are located at [www.elmoreco.com](http://www.elmoreco.com)

**Grades 1 – 2**

On Parent Report Day in September, teachers will review the promotion policy with parents. The Promotion Policy Form will be sent home with the first, second, and third nine weeks report card. It will also be sent home with the fourth nine weeks progress report. It is the teacher’s responsibility to make a copy of the promotion/retention policy form before sending it home to parents.

Teachers will use the Unit Tests as required tests. If a student does not make 70% correct or higher, the part of the test not mastered will be retested and indicated by “+” or “−” on the Promotion Policy Form. **The retested grade WILL NOT be entered on the Promotion/Retention Form because it does NOT take the place of the previous grade.**

**Grade 3**

In grade 3 the decision for promotion/retention will be based on passing reading, English, and math. Recommendation from the teacher will be presented to the Promotion/Retention Committee, which is made up of the Problem Solving Teams (PST).

**Grades 4 – 6**

In grades 4 – 6, the decision for promotion/retention will be based on passing reading, English, math, and one of the social sciences (science or social studies). Recommendation from the teachers will be presented to the Promotion/Retention committee, which is made up of the Problem Solving Teams (PST).

**Grades 7-8**
In grades 7 and 8, a student must pass each academic subject and physical education in order to take the next grade level course in each subject area. Passing will be based on the yearly average. Summer school may be available or the course will be repeated the next year.

- A student will be classified a seventh grader if taking four or more seventh grade level courses.
- A student will be classified an eighth grader if taking four or more eighth grade courses.
- It is strongly recommended that students attend summer school to make up failed courses.
Grades 9-12

A student must receive passing averages in each of the required and elective Carnegie unit courses. *Carnegie unit credit will be based on a per semester basis with each semester standing alone. In addition to meeting the credit unit requirements, a student must pass all required sections of the Alabama High School Graduation Exam. *Carnegie unit means the number of credits earned from taking classes to graduate beginning in ninth grade through twelfth grade.

Special Education

Promotion or graduation of any student in a special program will be based on his/her accomplishments of goals stated in the IEP in conjunction with other regular program requirements.

SEMESTER EXAM EXEMPTION

Students in grades nine (9) through twelve (12) may exempt semester and end-of-course examinations if they meet the following criteria:

- An “A” average with no more than 2 absences
- A “B” average with no more than 1 absence
- A “C” average with no absences

Any student who has skipped either a class period or a school day, been suspended, or been assigned to the Elmore County Alternative Program (ECAP) will forfeit the opportunity to exempt any final examination regardless of grade average. Three unexcused tardies to class will forfeit exemption status in that class.

Please note: School authorized field trips, a college day (with proper documentation), and military absences (with proper documentation) do not count as absences towards exemptions.
Due to the transition from the block schedule to an 8-period day in the 2010-2011 school year, the following chart reflects the number of credits required for promotion to the next grade level, based on the year of entry into the 9th grade:

Students who entered prior to 2007-2008 are required to have 28 credits to graduate.

In order to graduate, a student must complete the specified number of credits, including all required courses as determined by the Elmore County Board of Education, and pass all parts of the AHSGE.

* Exemption: Any student with a disability(s) (defined by the Individuals with Disabilities Education Act of 2004 and or Section 504 of the Rehabilitation Act of 1973) may be exempt from this requirement if there is documentation of the disability which substantially limits achievement in the area of the subject-area test (Reading or Math) of the AHSGE that was not passed. The required documentation must be verified by the special education coordinator or 504 coordinator.

* The number of elective credits will be determined by the diploma type a student is working toward (i.e. Standard, Advanced, Advanced with Honors Endorsement, etc.) and the expected year of graduation.
In order to receive an Alabama High School Diploma (with or without Honors Endorsement), students must pass all 5 sections of the Alabama High School Graduation Exam. Seniors who have not passed all 5 sections of the AHSGE may be offered a Credit Based Diploma if they meet the following criteria:

- have taken the AHSGE each time it was given, through the end of the senior year.
- have passed the Reading, Mathematics, and one other section (Social Studies, Science, or Language), and
- have taken at least one Career-Technical Education course.

Parents and/or students who have questions are encouraged to contact the school’s Guidance Department for assistance.

Seniors who are working toward but do not meet the requirements for the Advanced, Standard, or Credit-Based Diploma (to include credits and AHSGE) will NOT participate in graduation ceremonies.

**EARLY GRADUATION**

Students who satisfy all requirements for a standard diploma or higher, to include passing all five parts of the Alabama High School Graduation Exam, may elect to receive their diploma at the end of the first semester of their senior year. Students who choose to receive their diploma early may participate in graduation ceremonies at the end of the regular school year.

**WEEKLY PAPERS**

Each student in grades K-4 will receive graded papers on a weekly basis. Each student in grades 5-6 will receive graded papers and/or a detailed progress report, at the discretion of the principal, on a weekly basis. Student papers must be signed by the parent/guardian and returned to the teacher in order to receive papers on a continuous basis.

**PROGRESS REPORTS**

A detailed student progress report will be issued in each subject at the midterm of each nine-week grading period. In addition, parents may request in writing or by telephone a weekly progress report. The school office will notify the teacher that such a report has been requested then the student will receive a weekly printout of his or her current grades. The requested progress report should be signed by the parent or guardian and returned to the teacher.

**REPORT CARDS**

Report cards will be issued following the end of each nine-week grading period. See School Calendar(p.6) for specific dates.

**CONFERENCES**

Parents are encouraged to schedule conferences with teachers concerning the progress of their child. Conferences are scheduled after school hours and during teacher planning periods.
Teachers are not available for conferences during the time that they are teaching. Please call the school to set up an appointment for a conference.

DUE PROCESS

Students shall be treated with fairness in all discipline matters and shall be accorded procedural due process when the discipline measures of corporal punishment, short and long-term suspension, or expulsion are applied. Before being punished for violation of a Board policy or local school rule or regulation, the local school principal or designee shall ensure that students are afforded due process.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy interest of parents and students with regard to educational records. Generally, FERPA gives parents the right to inspect and review their children’s records, request amendment of the records, and have some control over the disclosure of the information from the records. For secondary students, FERPA restricts the release of their school records or information from their records that could identify the student.

An important exception to the “prior consent requirement” deals with “directory information.” A school can disclose “directory information” without prior parental consent after giving notice of the intent to do so.

Elmore County Schools will provide the following “directory information” on students based on reasonable request:

- Name, address, and telephone number, date and place of birth, major field of study, official activities, dates of attendance, height and weight (for sports), diplomas and honors received, most recent previous education institution, and photograph.

We consider these items to be directory information, and, in most instances, disclosure is helpful to both the student and the school.

Parents can, however, retain the right to consent to the disclosure of this directory information. Parents who wish to retain this right must so advise the school principal in writing.

PARENTS’ RIGHT TO KNOW

Under the provisions of the No Child Left Behind legislation (Title I Section 1111 (h)(6)) and Board of Education policy FILE:IDBDD, the parent/guardian of each student attending a school in the system may request information regarding the professional qualifications of the student's classroom teachers, including at a minimum, the following:
- Whether the teacher has met State certification for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status through which certification has been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher and the field of discipline of the certification or degree.
- If the child receives services by paraprofessionals and, if so, their qualifications.

The parent/guardian will submit to the school principal a letter requesting information about the designated teacher, using the Parents’ Right to Know Request for Information form available at the school office. The school will respond to the request within 10 school days of the reception of the written request.

Also under the provisions of the No Child Left Behind legislation {Title I Section 1111 (h)(6)}, the school will provide timely notice to parents/guardians that their student has been assigned to or is being taught for four or more consecutive weeks by a teacher who is not certified in the grade level or content area assigned for instruction.

**STATEMENT OF POLICY**

In addition to applicable federal and state laws, each Elmore County school operates according to policy and procedures adopted by the Elmore County Board of Education. The policy is posted on the Elmore County web page (www.Elmoreco.com) listed under “Publications.”

**DISCIPLINE**

See Elmore County Student Code of Conduct in the second section of this handbook.

**DRESS CODE**

See Elmore County Student Code of Conduct in the second section of this handbook and individual school’s student handbook.

**PARENT/SCHOOL/COMMUNITY GRIEVANCE RESOLUTION PROCEDURE**

Education is a shared responsibility among home, school and the surrounding community. The Elmore County Board of Education believes parents/guardians and community members have both the right and responsibility to express school-related concerns and grievances to school faculty and administration. Parents/guardians are always welcome to make appointments to discuss any concerns they may have. The faculty and administration will strive to resolve grievances at the school level (at the lowest possible administrative level). In an effort to resolve concerns, the initial contact should be a parent/teacher conference requested by the grievant(s) within 10
school days of the incident. A Parent/Teacher Conference Form should be completed by the teacher and signed by the teacher and grievant(s). In cases when a concern cannot be resolved through an informal parent/teacher conference at the local school level, the following grievance procedure should be followed.

**FORMAL GRIEVANCE PROCEDURE**

For the purpose of this policy, a grievance is defined as a claim submitted by a parent/guardian, community member, or student regarding a violation, misinterpretation, or inequitable application of local board policy, local school rule and regulation, or local administrative procedure, (i.e. matters concerning curriculum, sports, disciplinary problems, school calendar, classroom policy, etc.) Incidents/issues not addressed in this grievance procedure are: grades, promotion, placement, Title I, Title IV, 504 and FERPA. The following steps should be followed sequentially to file a grievance:

**Level One** Principal - A completed grievance form (File: JCEA-R GRIEVANCE FORM) should be submitted to the principal within 10 school days of the parent/teacher conference that is the subject of the grievance. This form may be obtained from the principal or Board of Education Office. The teacher and involved parties are to be immediately given a copy of the completed form by the principal and given an opportunity to respond within 3 school days. The principal will request a copy of the Parent/Teacher Conference Form within 10 school days of the written grievance, and the Principal shall provide a response.

**Level Two** Superintendent – If the grievance is not resolved at level one, the grievant(s) may proceed to level two by submitting the original grievance with the principal’s response, and the Parent/Teacher Conference Report to the Superintendent’s office within 5 school days of the principal’s decision. The Superintendent or his/her designee will review the principal’s decision and may arrange for a meeting to review the situation. The Superintendent may refer the parents/guardians to the appropriate administrative staff to resolve the situation. A decision will be rendered by the Superintendent or his/her designee within 10 school days after receiving the forwarded grievance form and principal’s response.

**Level Three** Elmore County Board of Education (ECBOE) – If a grievance is not resolved at level two, the grievant(s) may proceed to level three by presenting the results of the Parent/Teacher Conference Report, and the original completed grievance form with the Principal’s and Superintendent’s responses to the President of the Board of Education within 10 school days after the Superintendent’s response. During an executive session of the ECBOE the grievant(s) will be given the opportunity to present any matter relative to their position. The decision by the members of the ECBOE is final in the grievance process.

Failure at any step of this procedure to communicate decisions at the levels and in the manner required at the respective level shall permit the grievance to proceed to the next level. Failure at any step of this procedure to appeal a grievance to the next level within
specified time limits shall be deemed an acceptance of the decision rendered at that level and this procedure shall terminate for the given grievance.

This Parent Grievance Policy has been developed jointly with, and agreed on by parents, community stakeholders, and school staff, as evidenced by agendas and sign-in sheets, on file in the Federal Programs/Student Assessment Office.

Additional information concerning proper grievance procedures may be found in the Elmore County Policy and Procedures Manual under “Publications” at www.Elmoreco.com.

**EMERGENCY PROCEDURES**

**EMERGENCY CLOSING PROCEDURES**

Occasionally, a circumstance arises which makes it necessary to close school before the usual time. Such a circumstance might be snow, storms, floods, or other unforeseen emergencies. When this occurs, the following procedure will be followed:

1. Superintendent will activate STI Messenger to notify all parents.
2. Monitor/check the system website – elmoreco.com
3. Listen to area radio and TV stations that will inform you of school closing.
4. Buses will transport students to their usual home station.
5. Parents who normally pick up their children will need to come to school immediately after the emergency announcement.

**SEVERE WEATHER**

In case of a tornado watch or warning or any natural disaster, your child will be taken to a place of safety. Drills are held at least once every month during the year so that children will know how to conduct themselves in the event they are faced with an actual tornado or threatening weather conditions.

The children will go to a pre-assigned area, kneel on the floor, and cover their heads. We ask that you do not call the school or come to pick up your child if an emergency of this nature should occur. Your child will be safer at school than he or she will be in a car during severe weather. If you insist on picking up your child during severe weather, please come to the office and sign out your child so that we will have a record that he or she has been checked out should a disaster occur.

**FIRE DRILLS**

Fire drills will be held at least once each month during the school year. When the signal sounds, students will file out quietly, orderly, and quickly in the direction indicated by the teacher. An evacuation plan is posted in each classroom.

**LOCK-DOWN DRILLS**

Lock-down drills will be conducted at least three times during the school year. When
the signal sounds, the teachers are to lock their classrooms, with students and teachers remaining inside the classroom. Students will follow directions indicated by the teacher.

---

**SCHOOL PROPERTY**

**SCHOOL PROPERTY DAMAGE**

Students and their parents will be held responsible for all damage to equipment or school property. This responsibility applies in the matter of books and supplies of all types, as well as equipment, buildings, and grounds.

**TOBACCO FREE CAMPUS**

Smoking/ Tobacco is not permitted by any person on school properties (inside or outside buildings) that are operated by the Elmore County Board of Education. Smoking is also not allowed by parent chaperones or school personnel while attending field trips or participating in any school sponsored activity.

**TEXTBOOKS**

All textbooks are furnished. Each student must have a signed textbook permission slip before textbooks can be issued. If a book becomes damaged or lost, **it must be paid for before another book will be issued.**

**BUS TRANSPORTATION**

The Elmore County Public Schools make every attempt to pick up, at approved bus stops, take to school, and take home all school age children of Elmore County. Transportation service is a privilege and may be adjusted, suspended, or removed from any child by use of the proper procedures as set forth in the Student Handbook, Code of Conduct, and Board Policy as approved every year by the Board of Education of Elmore County.

All bus routes reflect the best possible routes that can be established by the Transportation Department on state, county, and city roadways. The school bus shall not be used for transportation of school children to and from school on or through, private property unless approved by the Superintendent. Approval must be through the submission of a *Private Road Agreement Application*. This approval must meet criteria regarding safety, road condition (to include, but not limited to, width, distance, proper road maintenance, and road surface), and appropriate turnarounds. If controversy arises due to bus service on or through private roads, bus service will be terminated until the conflict is resolved. The expense of the resolution will be the responsibility of the property owners.

The Transportation Department requests that your child(ren) arrive at the designated stop at least 5 minutes **prior** to the bus arrival. Bus Drivers have been instructed not to
wait for students unless inclement weather conditions occur. Please note that the driver is directed to stop only ONCE at a designated stop. Often drivers travel through a street and must return by passing a designated stop again. **BUS DRIVERS HAVE BEEN DIRECTED TO MAKE ONLY ONE STOP.**

The routes should reflect the safest and most efficient use of the school bus as possible. When any roadway is determined to be unsafe for school bus travel by the Superintendent of Elmore County, the Elmore County Board of Education Transportation Department, or the Alabama Department of Pupil Transportation, the route will be adjusted to reflect the best possible alternative route. For the safety of all children, no one is allowed to enter or ride a school bus unless he/she is assigned as a regular route student or has a bus pass issued by a principal or authorization from the Transportation Department. [It is unlawful to obstruct governmental operations (13A-10-2(2), or Criminal Trespass (13A-7-3)].

### PERSONAL ISSUES

**PERSONAL PROPERTY**

The responsibility for a student's personal property belongs to the student. Teachers are not responsible for keeping up with any items, including money, which belong to the students. Each parent is requested to mark his/her child's name in or on personal items to reduce the number of disagreements over ownership. Students should bring only the amount of money that is needed for juice, snack, lunch, and school supplies.

**SELLING OF ITEMS AT SCHOOL**

Students will not be allowed to sell non-school related items at any time.

**PERSONAL PARTIES AND GIFTS**

Invitations to any non-school related event must not be given out at school. Deliveries (balloons, flowers, etc.) to schools from florists will not be accepted.

**TAKING PICTURES AND VIDEOTAPING**

Pictures and videotapes may be taken of students for public relations (i.e., press release) or educational activities unless a parent/guardian notifies the school principal and the classroom teacher in writing that he/she objects to use of any photographs and videotapes of his/her child. **Students are not allowed to take pictures or videos with cell phone cameras or any other type of electronic device (camera, blackberry, etc) during the school day unless they have the written permission of the principal.**

**USE OF DIGITAL DEVICE DURING ADMINISTRATION OF A SECURE TEST**

The possession of a digital device (including but not limited to cell phones, MP3
players, cameras, or other telecommunication devices capable of capturing or relaying information) is strictly prohibited during the administration of a secure test. If a student is observed in possession of a digital device during the administration of a secure test, the device will be confiscated.

If a student is observed using a digital device during the administration of a secure test, testing for the student will cease, the device will be confiscated and is subject to search, the student will be dismissed from testing, and the student’s test will be invalidated.

CELL PHONES

Electronic communication/entertainment devices may be brought to school but not visible, audible, or in use during school hours without permission from teachers or an administrator. Electronic devices of any student who does not adhere to this policy will be confiscated by the school.

- Electronic devices may be used before the beginning of the school day (before entering the building) on a school day and after exiting the building at the end of the school day.
- During the school day, electronic devices cannot be visible or audible and must be stored in a secure location.
- Students are solely responsible for the security of their electronic devices and the school assumes no liability for lost, stolen, or damaged devices or unauthorized calls made on a cell phone.
- Permission must be given by coaches or sponsors to use devices on field trips, extracurricular activities, or athletic events.
- No use of cameras or camera phones in private areas such as locker rooms, dressing rooms, classrooms, or offices at any time.
- Phone communications should still go through the school office telephones during school hours with the exception of emergency situations deemed by the principal. Parents should still call the school office during emergency situations.
- No expectation of privacy if the electronic device is used in an unauthorized manner.

SPECIAL SERVICES

SPECIAL EDUCATION SERVICES

Elmore County School System’s Special Education Policy states:

Elmore County School System ensures that a free appropriate public education, consistent with the standards established by this plan and by state and federal regulations, is being provided to all children with disabilities ages 3-21.

The Elmore County School System ensures that all children residing within the jurisdiction of the local education agency, birth to twenty-one years of age, regardless of the severity of their disability and who need special education and related services, are identified, located, and evaluated.
If you have concerns about your child’s progress and would like more information about these services, please feel free to contact the school’s administrator, the student services facilitator, or the Special Education Coordinator at (334) 567-1224.

SECTION 504 SERVICES

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination on the basis of disability and requires that appropriate educational services (accommodations) are provided to qualified students. The Elmore County School System provides accommodations in the educational setting that do not alter the content of the curriculum or level of expectation for a student with a disability but allows the student to access the general education curriculum in order to participate in public education programs and activities.

If you have any questions, please contact the administrator at the school or the Student Services Coordinator at (334) 567-1200 ext 23066.

ESL STUDENT SERVICES

Section 3116 of Title III of the No Child Left Behind Act of 2001 and the Stewart B McKinney-Vento Homeless Assistance Act, for serving students who are homeless, migratory, limited-English proficient (LEP) and immigrant students, requires that children must have equal access to the same free appropriate public education, provided to other children and youth. Such children will be provided the opportunity to meet the same challenging state content and state student performance standards to which all students are held, without being stigmatized or isolated. In the Elmore County School Public School System, all language-minority students with academic or social needs identified are provided accommodations in the regular program and assistance with the acquisition of English language skills.

If you have questions or concerns about your child’s progress and would like more information about these services, please feel free to contact the school’s administrator, the student services facilitator, the ESL School Coordinator, the ESL Specialist at (334) 567-1200 ext 24003 or the Federal Programs Coordinator at (334) 514-2810 ext 24001.

GIFTED EDUCATION PROGRAM

Gifted students are those who perform at or who have demonstrated the potential to perform at high levels in academic or creative fields when compared to others of their age, experience, or environment. These students require services not ordinarily provided by the regular school program. Students possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor.

Teachers, counselors, administrators, parents or guardians, peers, self, and any other individuals with knowledge of the student’s abilities may refer a student. Additionally, all second grade students will be observed as potential gifted referrals using a gifted behavior checklist.
For each student referred, information is gathered in the areas of Aptitude, Characteristics, and Performance. The information is entered on a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for gifted services.

To make a referral contact your child’s school for the name the gifted teacher on that campus.

**MEDICATION AT SCHOOL**

Medication should be scheduled to be given at home whenever possible. Students requiring medication at school due to illness or medical conditions must adhere to the Student Health Services Medication Guidelines. The complete guidelines may be obtained at any school in the system. **Medication authorization forms are available at each school and in the appendix of this handbook.** The form may be photocopied.

Some **key points** of the guidelines are as follows:

- A School Medication Prescriber/Parent Authorization form must be completed and signed by the parent/guardian and the prescribing physician before any prescription or over-the-counter medicine will be given.
- A new Prescriber/Parent Authorization form is required for each new school year and for any change in dose, time, or method of administration.
- All medication must be transported to and from school by a parent/guardian or designated adult unless the medicine is one used for emergency care or chronic illness and as been approved through the school nurse for transport. Consult the administrator or the school nurse for securing permission for a student to carry and self-administer an emergency medicine or medicine that is required for a chronic illness.
- The parent/guardian must pick up student medications by the last day of school or within one week if it is discontinued during the year. Medication that is not picked up will be destroyed.
- Prescription medication must be in the original pharmacy labeled container that provides the time for the medication to be given at school. Inhalers must have a prescription label on the inhaler.
- Over-the-counter medication must be in the original manufacturer’s container with the student’s name clearly written on the container without obscuring the manufacturer’s instructions.

**INDIVIDUALIZED HEALTH CARE PLANS**

An individualized health care plan (IHP) is an organized plan that outlines specific medical, nursing, and emergency care for an individual student. An IHP is recommended for students who are identified as having a health condition that affects or has the potential to affect their participation and performance in school. Students with conditions such as asthma, life-threatening allergies, seizures, diabetes or any health condition requiring professional observation or intervention at school should have a health care plan specific to the student’s needs. The parent/guardian of any student who may need an IHP should contact the administrator or school nurse with information
about the student’s health condition and work with the school to put a plan of care in place for the student.

**PROGRAMS AND ACTIVITIES**

**RENAISSANCE LEARNING**

*Accelerated Reader* (AR) is a component of *Renaissance Learning* and is an integral part of the Elmore County Schools reading program. Accelerated Reader is an on-line reading management software tool that motivates students to practice reading for a purpose daily as instructional time permits. Parents are able to track student progress through the *Home Connect* component of *Renaissance Learning*. For more information contact the school librarian or classroom teacher.

**ALABAMA READING INITIATIVE**

*The Alabama Reading initiative (ARI)* is a statewide K-12 initiative managed by the Department of Education. The goal of ARI is to significantly improve reading instruction and ultimately achieve 100% literacy among public school students. *The Alabama Reading Initiative* provides teachers training to help them teach in proven and effective ways, specifically by integrating best practices of phonics and the whole-language approach to teaching reading.

*Alabama State Department of Education*

**DIBELS**

DIBELS (Dynamic Indicators of Basic Early Literacy Skills) is an Alabama State Department of Education required assessment for Kindergarten through Second Grades. However, Elmore County requires all ARI schools to administer DIBELS in grades K-2; assessment in grades 3 and 4 is optional. The DIBELS assessment is given three times a year: beginning, middle, and end of the school year. Teachers are to use the data acquired from the scheduled assessments to determine necessary classroom instruction in each of the areas assessed. DIBELS has a Progress Monitoring component, which is to be used between the required assessment periods to ensure proper growth and development in reading and affirm the instructional strategies are effectively working. Elmore County students are identified on the scheduled assessment as Benchmark, Strategic, or Intensive.

**ALABAMA MATH, SCIENCE, AND TECHNOLOGY INITIATIVE (AMSTI)**

AMSTI (Alabama Math, Science, and Technology Initiative) is an Alabama Department of Education initiative to improve math and science education across the state.

It provides students with well-trained teachers and the equipment, materials, and resources needed for hands-on, activity-based, math and science education. AMSTI helps students develop the knowledge and skills needed to succeed in postsecondary studies and the workforce.
TEAM-Math

TEAM-Math is a research based designed math approach to learning through “inquiry-based” teaching methods. Students who figure things out for themselves when given “real world” problems will retain better the information and process used. TEAM-Math activities are aligned to the Alabama Course of Study and national standards.

LIBRARY/MEDIA CENTER

Books and reference materials are located in the library/media center. Students are encouraged to check out and read books. Students visit the library/media center either as a group or as an individual on an unlimited as needed basis during times specified by the classroom teacher. In an effort to remind students of the importance of returning books in a timely manner, a library fine may be charged to students. Each library/media center fine differs; you may contact the school principal or media specialists for inquiries.

Elmore County has a Library/Media Selection Policy (File: IFBD-R Policy Manual) for any questionable books or library materials.

FIELD TRIPS

Educational field trips will be taken by various classes during the school year. Students will be transported in school owned or chartered buses with teachers in charge. All parents must sign permission slips if they wish for their child to go on these trips. A student will not be permitted to go on a field trip if his/her permission slip is not signed by the parent/guardian and returned. The permission slip will be sent home with the student a few days before the trip. If for any reason parents do not wish for their child to go on a field trip, the child will be supervised at school during the school day.

EXTRACURRICULAR ACTIVITIES

It is the policy of the Elmore County Board of Education to encourage participation in extracurricular activities and clubs by students. No eligible student is to be denied the opportunity to participate in any activity or club. The sponsor, coach, or director of each extracurricular activity is available, upon request, to fully inform any student about his or her program.

EXTRACURRICULAR ACTIVITY PARTICIPATION

ACADEMICS FIRST

The Elmore County Board of Education recognizes the value of all extracurricular activities as they relate to the total education of students. The Elmore County Board of Education also recognizes and supports high academic standards and the necessity of developing a framework to annually assess each student involved in extracurricular activities and his/her progress toward graduating from high school on schedule with his/her class. The Board of Education also recognizes that the Class of 2000 and subsequent classes will be required by the State Board of Education resolution and the
Alabama Administrative Code to earn a minimum of 24 credits in Grades 9-12 with four (4) credits each in science, mathematics, social studies, and English. The Elmore County Board of Education prescribes the following regulations for eligibility by students in this school system to participate in all extracurricular activities:

1. Students entering grades 10-12 must, for the last two semesters of attendance and summer school if applicable, have a passing grade and earn the appropriate number of credits in each of six (6) subjects that total six (6) Carnegie units of credit, including four (4) credits for the four (4) core subjects composed of English, science, social studies, and mathematics with a composite numerical average of 70. Students entering grades 8 and 9 must, for the last two semesters of attendance and summer school if applicable, have a passing grade in five (5) subjects with a composite numerical grade of 70 with all rules applying the same as to students in grades 9-12. Students promoted to the seventh grade are eligible.

2. Physical education may count as only one (1) unit per year.

3. No more than two (2) credit units may be made up during the summer. If a unit(s) or subject(s) is repeated in summer school, the higher numerical grade for the unit(s) or subject(s) may be used to compute the composite grade average.

4. A student who is eligible at the start of the academic year remains eligible for the entire academic year. Students deemed ineligible at the beginning of the school year by virtue of having failed to meet the requirements may regain their eligibility at the end of the first semester by meeting the requirements for eligibility in the two most recently completed semesters, including summer school. Eligibility restoration must be determined no later than five (5) schools days after the beginning of the succeeding semester. An ineligible student may not become eligible after the fifth school day of each semester. Bona fide transfers may be dealt with according to rules of the Alabama High School Athletic Association for sports and rules established by the Board of Education as they pertain to other extracurricular activities.

5. Each eligible student entering grades 10-12 must have a minimum composite numerical average of 70 and a minimum of six (6) Carnegie units from the preceding year, including summer school. Summer school work may substitute for regular schoolwork repeated in computing the 70 average.

6. Each eligible student involved in athletics must meet the definition of a regular student as defined by the Alabama High School Athletic Association.

7. Any student who earns more than four (4) credits in the core curriculum in any given year or who accumulates a total in excess of the required four (4) per year may be exempt for earning the four (4) core courses in the succeeding year as long as that student remains on schedule for graduation with his/her class by earning eight (8) core credits over any two-year span, including summer school.

8. Each student involved in athletics must meet all the requirements of the Alabama High School Athletic Association for eligibility. These requirements are available at each school.
9. Any student participating in extracurricular athletic programs (i.e. sports, cheerleading) must have proof of and maintain full coverage medical insurance.

Extracurricular activities associated with athletics are defined as those recognized and sanctioned by the Alabama High School Athletic Association, and other extracurricular activities are defined as those that are sanctioned by the school, which are not related to a student’s academic requirements or success in a course(s). Regular curricular activities are defined as those that are required for satisfactory course completion. School sponsors are required to submit a request for each curricular activity that occurs outside the regular school day and /or school to the principal, superintendent, and the local Board of Education for approval. Each request for full participation by all students regardless of academic standing in a curricular activity shall be granted if the principal, superintendent, and Board of Education approve participation in the activity as an extension of a course(s) requirement(s) and it is an event sanctioned by a state/national subject matter association.

Notwithstanding anything contrary to this policy, student participation in extracurricular activities offered by the school through math, science, band, choral music, and other courses and attendance at events such as athletic events (pre-game, game, half-time, or other breaks), club conventions, parades, amusement park trips and competitions, trips by tour companies, performances at various meetings, etc., are extracurricular, and students academically ineligible under this policy shall not be allowed to participate.

Decisions regarding a student’s participation in extracurricular activities will be consistent with the requirements found in the Individuals with Disabilities Education Act (1997) and its implementing regulations, both federal and state, as well as Section 504 of the Rehabilitation Act of 1973 if the student is identified eligible under these statutes, rules, and regulations, and such participation is determined to be appropriate.
Technology Usage Policy

MISSION
The Elmore County Public School System’s mission is to provide relevant, engaging, positive learning environments where students are empowered to realize their self-worth through continuous academic, social and emotional growth.

POLICY STATEMENT
The primary goal of the technology environment is to support the educational and instructional endeavors of students and employees of Elmore County Schools. Use of any and all technology resources is a privilege and not a right.

INTRODUCTION
To ensure that students receive a quality education and that employees are able to work in a professional and intellectually stimulating environment, it is the policy of the Elmore County Schools to provide all students and employees with access to a variety of technology resources. All Elmore County students and staff must acknowledge and adhere to this policy.

The creation of a large and varied technology environment demands that technology usage be conducted in legally and ethically appropriate ways, consistent with the Mission Statement and instructional goals of the Elmore County Schools.

We recognize that the use of technology always requires attempts to balance the benefits against the possibilities of danger, security problems, and abuse. Rapid changes in technology and growth in the range of content available makes this a constant challenge. Thus, it is the intention of the Elmore County Schools that all technology resources will be used in accordance with any and all school system policies and procedures as well as local, state, and federal laws and/or guidelines governing the usage of technology and its component parts.

Additionally, it is implied that all students and employees of the Elmore County Schools will use the provided technology resources so as not to waste them, abuse them, interfere with or cause harm to other individuals, institutions, or companies.

All personal technologies used on any Elmore County campus are subject to this policy and may be used only when approval has been granted from the District Technology Director. If approved, such usage must be in compliance with all school system policies, procedures, and guidelines as well as local, state, and federal laws.

All electronic content stored on any external storage medium or personal off-site storage location that is brought to or accessed from a Elmore County Schools campus is subject to all school system policies and guidelines, as well as local, state, and federal laws.

Employees are prohibited from emailing outside the school system or storing/saving on external storage devices or portable devices that do not remain on campus items such as: electronic copies of student or staff personal information. This information includes, but is not limited to data containing social security numbers, information protected by FERPA, and any other sensitive and/or protected information. In the event that this type of information is stored on a portable or external device and said device is lost or stolen, the District Technology Director should be notified immediately.

Any questions about this policy, its interpretation, or specific circumstances shall be directed to the District Technology Director before proceeding. Violations of this policy will be handled in a manner consistent with comparable situations requiring disciplinary and/or legal action.

Elmore County Schools’ Office of Technology issues further specific guidelines detailing appropriate and legal use of copyright, email, technology resource purchasing and disposal, web page creation, and the publication of student work. These guidelines are updated as best practices dictate and as case law emerges. These guidelines are considered appendices of Elmore County Board of Education Technology Usage Policy. Students and staff are expected to be aware of and follow the guidelines which are updated annually on the Elmore County web site Technology page and referenced in the teacher handbook and the Student Code of Conduct booklet. Additionally, training will be provided to staff and students.

Elmore County Public School Child Nutrition Program is in compliance with the State Department of Education Wellness Guidelines. All meals served meet patterns established by the National School Lunch Program and the United States Department of Agriculture. Our goal is to assist in reducing the concerns of obesity in school age children. Students who need substitutions or are on special diets must complete a Medical Statement/Diet Prescription form. These forms are available through the school nurse or the school office.

Every school in Elmore County serves lunch each operating day. Students may purchase lunch for $2.25. Students who qualify may receive meals free or at a reduced price of $0.40. Breakfast is served at all of the schools daily. Students may purchase breakfast for $1.25. Students qualifying may receive breakfast free or at a reduced price of $0.30. Parents/Guardians may complete the Free and Reduced Meal Benefit Application to qualify for the free or reduced price meals. Applications are available at the school office, Child Nutrition Office, or Online. All paper applications will be scanned for processing as the application arrives at the Child Nutrition Office. Parents should be prepared to pay for meals until their child’s application is processed and the cafeteria or parent is notified. The CNP office is allowed 10 working days to process an application after the application reaches the CNP office. If any part of the application is incomplete, the application will be returned through the students and the process will take longer.

Menus are provided monthly and can be found on the Elmore County Public Schools website under Child Nutrition. Menus are subject to change based on food availability. Students may purchase extra food items in each cafeteria. Al La Cart items and pricing vary among schools. No glass items or carbonated drinks are allowed in the school cafeteria. Foods and drinks brought into the cafeteria in competitive packaging, i.e. fast foods, are prohibited. Parents may pay for lunches with cash or personal check. Lunches can be paid daily, weekly, or monthly. A lunch money account for your child will be established in the school cafeteria. Students in grades K-8 without money will be sent home with a collection letter with a notice of amount owed. Unpaid meal amounts may be subject to collection fees. When paying by check, please make the amount of the check only for lunches (not for cashing or other school fees). There is a $15.00 fee for checks returned by the bank for non-payment. Checks will not be accepted the last month of the school year. If you have questions, please call the Child Nutrition Office at (334) 567-1222 or toll free 1-(800)-833-6003.

7. MY CHILD’S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT ANOTHER ONE? Yes. Your child’s application is only good for that school year and for the first few days of this school year.
