

# PROFESSIONAL LEARNING COMMUNITIES (PLC)

REDLAND ELEMENTARY

## K-6<sup>TH</sup> STRATEGIES/ACTIVITIES

### Summary Reports for January 2016

#### Kindergarten

The students will be recognizing sight words by using pop word games, Frye word phrases and sight word rings.

#### First Grade

The students will be reviewed each week on skills for the 3<sup>rd</sup> quarter math test.

#### Second Grade

The students will learn math skills for the 3<sup>rd</sup> quarter math test. The teachers will create centers for time and money.

#### Third Grade

The students continue to practice two step word problems in small groups and math centers.

#### Fourth Grade

The students will continue to practice good behavior/manners by using the habits in Ron Clark's The Essential 55 book (Chapters 29-35).

#### Fifth Grade

The students will learn to follow along in class, answer and write in complete sentences, do their best without asking for rewards, and stress the importance of completing homework. (Ron Clark's Rules).

#### Sixth Grade

The students will continue to learn respect and responsibility through the 7 Habits. The focus habit for this month will be Habit #5, Seek First to Understand, Then to Be Understood.

### Other PLC Groups

#### Special Education

The special education teachers will continue to collaborate with regular ed teachers, to determine if resources are appropriate and helpful.

#### Physical Education

The students are being taught that great leaders and good sportsmanship go well together. The students are being praised for modeling good sportsmanship.

#### Cafeteria

The cafeteria staff will continue to improve the climate in the cafeteria and make nutritional meals.
