

# PROFESSIONAL LEARNING COMMUNITIES (PLC)

REDLAND ELEMENTARY

## K-6<sup>TH</sup> STRATEGIES/ACTIVITIES

### Summary Reports for September 2015

#### Kindergarten

The students will be singing sight word songs during whole group instruction.

#### First Grade

The students will be learning math by using subtraction strategies, balanced equations and fact families.

#### Second Grade

The students will use centers to practice addition fact fluency and review/practice place values.

#### Third Grade

The students will learn multiple step word problems in math by using the following instructions: daily math, math symbols, STAR math scores, ACT Aspire practice problems and close reading problems.

#### Fourth Grade

The students will learn tips and rules from the book "Essential 55" by learning how to be appreciative, using random acts of kindness and saying "Thank You".

#### Fifth Grade

The students will learn tips and rules from the book "Essential 55" by showing respect to each other and saying excuse me.

#### Sixth Grade

The students will continue to learn to build character by practicing Habit # 1 and 2 (Be Proactive/Begin with the End in Mind) daily.

### Other PLC Groups

#### Special Education

The special education teachers prepared resource materials for the general education teachers to use with their students.

#### Physical Education

The students will learn how to show good sportsmanship while playing competitive sports.

#### Cafeteria

The cafeteria staff will continue to make appealing meals. They are working on an appealing climate for the cafeteria.
