

2017 American Education Week

*Join us for Lunch
as we celebrate public
education in America*

We invite you to come eat lunch with your child and their class during American Education Week. Please enter the school either through the office entrance or the entrance between the gym and the lunchroom, where you will sign in and purchase a ticket. The price of a meal is \$3.50 per person.

This is a special day for your child; therefore, if possible, please make arrangements for younger children to be with a sitter.

Check-outs will not be excused on these days.

Tuesday, November 14th
