SPOTLIGHT ON STUDENTS

Kindergarten

On November 17th, Kindergarten will have a "Charlie Brown Thanksgiving" celebration. And December 11th-15th, Kindergarten will have a "Christmas Around the World" celebration.

Fourth Grade

Fourth grade will be beginning multiplication and division in math and animal studies in science. We are also excited about visiting Ft. Toulouse's Alabama Frontier Days on Nov. 2nd.

Fifth Grade

Fifth grade would like to thank Mr. Grant Lyons from the Coffee County EMA for teaching us about lightning and thunderstorms. We now know that a thunderstorm watch is when a storm is possible and a thunderstorm warning means to take cover now. We can also tell how far away a thunderstorm is by counting how many seconds from the time we see the lightning to the time we hear

the thunder. Then we divide that number by 5 and we then know how many miles away the storm is so we can be safe. We can't wait to learn more about tornado safety in the spring!
