General Information

Pinedale's Continuous Improvement Plan

Pinedale's Continuous Improvement Plan is also known as ACIP. Parents are asked to serve on committees, offer input, and make suggestions and comments about the plan. They will also be asked to evaluate and revise the plan at the end of the year.

Title I Parent Involvement Policy

Pinedale's Title I Annual Meetings are held during the first semester of school each year. Two meetings were offered on August 21, 2017, one in the morning and one in the evening. At this time, parents were given an overview of the Schoolwide plan that included, but was not limited

to: School-Home Compacts, Pinedale's Parental Involvement Policy, Parents' Right-to-Know Policy, and the use of Title I Parental Involvement monies—1% is set aside for parental involvement. This money is used to print the Enterprise City Schools Parental Involvement Calendars. Also, parents are asked to complete a survey at the end of the year regarding the Title I Program.

Pinedale Encourages Parental Involvement

- Open House
- Title I Annual Meeting
- PTO Meetings
- Grandparents' Day
- Parent Visitation
- American Education Week
- Volunteer Program
- Family Picnic/Family Fun Run
- Red Ribbon Week

English Learners and Migrant Students

The Enterprise City School System conducts meetings throughout the year for the parents of English Learners to provide general information about the EL program and the system's policies and procedures.

The EL staff assists parents who speak different languages during the registration process, translates during meetings and conferences, and facilitates communication between the parents and the school. The EL staff also translates

documents and other important forms. PES will ensure information is translated or provided in a language the parents can understand.
