**COACH
SUTTON**

Coach Reed Sutton started the women's basketball program at Faulkner in 2010. In their first two seasons, the Lady Eagles compiled a 40-20 record and advanced to the SSAC tournament. Sutton has already produced an All-American, a Freshman-of-the-year, and 2 Newcomers-of-the-year at Faulkner. He is a firm believer in academics as evidenced by 8 Academic All-Conference players in two years. Prior to coming to Faulkner, Sutton coached six state-championship teams (two as head coach and four as assistant coach) at Westbury Christian School in Houston, Texas. He has coached three high school All-Americans and had his team ranked nationally in the top ten. His girls' teams have an 83% winning rate.
