NOTICE OF SCHOLARSHIP AVAILABILITY

Dear Sir or Madam:

This letter is written to your institution to inform you of the scholarship made available by the Nannie M. Hainje Scholarship Trust. The scholarship shall be for one academic year, and shall be in amounts determined by the Selection Committee based on the recipient's financial situation, the relative costs of the colleges or universities involved, and the trust income available for distribution. Scholarships awarded may be paid directly to the educational institution to be credited against the recipient's expenses.

The Nannie M. Hainje Scholarship Trust shall award scholarships to students who are seeking to attend a post-secondary educational institution. This will include major universities, their satellite campuses' and junior colleges. The scholarship is designed to cover tuition, books and other necessary fees. The scholarship shall be awarded on the basis of the applicant's financial need, scholastic achievement, and the Selection Committee evaluation of the applicant's motivation, character and ability. The applicant must have a cumulative grade point average of 3.0 out of a 4.0 grade scale, either upon graduation from high school or at the end of any academic year of an eligible post-secondary institution. The scholarship shall be awarded on an objective and non-discriminatory basis and the Selection Committee shall not discriminate against any applicant on the basis of sex, race, religion or national origin.

The scholarship recipients shall be selected by the Selection Committee. Their selections will be based on the information requested by the enclosed Nannie M. Hainje Scholarship application form.

Although the Nannie M. Hainje Scholarships are for one academic year, the Selection Committee may renew a scholarship for the succeeding year, if in its discretion; the recipient performed in a satisfactory manner during the previous year and has not completed his course of study at the educational institution. Such a renewal may be made without the submission of a formal application by the recipient; however, a recipient desiring a renewal of the scholarship should inform the Selection Committee of such desire and provide them with any additional information requested.

Enclosed herewith are several scholarship application forms for the school year 2015-2016. Please make the availability of this scholarship known to any of your students who are eligible and provide them with the requisite application forms. It is brought to your attention that with respect to scholarships for school year 2015-2016, the completed application must be received by the Selection Committee no later than April 1, 2015.
