Scott Mitchell, Principal

Friday, April 4, 2014

4th Grade Parents,

I would like to introduce myself. I am Scott Mitchell, the principal of Brock's Gap Intermediate School. As you probably know by now, Deer Valley, South Shades Crest and Trace Crossings Elementary students feed into BGIS for grades 5 and 6, so your child will likely attend our school this coming fall. We are currently preparing for our fourth year and will continue to grow our plans for this intermediate school. This new endeavor has brought many possibilities and opportunities as we strive to design an academic program geared specifically for students at this age group.

I have worked in this community as a parent, teacher and now administrator for 17 years and will continue to work hard to create an environment that helps our students successfully transition from the elementary schools to the middle school and beyond. I know that they have a wonderful foundation, and we hope to build on this as they grow. We are currently working on a transition plan with the feeder schools and want to keep you up-to-date on several events.

I plan on spending the next couple of months preparing for this transition and traveling to the elementary schools to get to know the students before they arrive. Our student orientation and parent meeting are coming up, and we look forward to seeing you here at Brock's Gap.

Stay in the Brock's Gap loop concerning upcoming dates and events.
