

Top ten things you should know about Brock's Gap Intermediate School

10. Your locker is where you will keep all your stuff. If you keep it organized, all of your books and things will fit in it. But the one important thing to remember about your locker is your Locker combination.

9. Lunch is really delicious! Our lunch at Brock's Gap is a self-serve lunch so you will put the food on your own plate. You get to choose what and how much???...but remember to keep money in your lunch account.

8. We have an Academy Program and it is awesome. Academy is where you get to choose what you would like to learn more about. We have academies that deal with technology, cooking, gardening, and even photography. Academy changes about every 6 weeks, so you get a chance to participate in many classes. Sounds great doesn't it...Told you Academy was awesome.

7. You have to dress your best! The dress code is enforced and so you really need to wear the right clothes. Just a few no's...no gym shorts, sweat pants, spaghetti straps, short shorts, etc.

6. PE is fun. You start off with a few exercises to keep you healthy and then after the warm up exercises it is time to play. You will participate in flag football, basketball, lacrosse, soccer, volleyball and other sport activities.

5. We use Edmodo. No, I did not say Komodo but Edmodo. It is an online site that lets you have educational discussion with other students but also lets your teachers put assignments online that you can work on. It is really fun to use and it is really educational.

4. Each week 5th grade has special classes. They will go to art, music, guidance, library and technology. Yes, fifth grade go to a computer class every week plus their teacher will take them to the computer lab. You will have laptops that teacher can check out, computers in your room and now each student will have their own device next school year. So, one thing to know is that at Brock's Gap Technology is a big deal.

3. There are many ways to get involved. There are many opportunities to participate in different activities here at Brock's Gap. You can run for student council, be a part of the math team, go to First Priority, be a part of the school newspaper staff, work on the school Yearbook. Wait we don't have enough time for me to name everything but just know there are lots of opportunities to get involved.

2. Each fifth grade hall consists of at least 4 classes. The halls are called the Discovers, Explorers, Navigators and Voyagers, so you really get to know more kids. You will go to lunch, field trips and PE with this group as well as sit together for assemblies and special events.

1. Brock's Gap is fun. Teachers make learning fun, field trips are fun, Academy is fun, PE is fun,So get ready to learn, but have some fun at Brock's Gap.
