## What The Edmodo Page Looks Like

On the left hand side of your Edmodo page you will see your child's profile picture and your child's Edmodo groups. The middle part of the page is assignments, and posts, etc. The right hand side will show members of your child's group.

The screenshot displays the Edmodo interface within a Windows Internet Explorer browser window. The browser's address bar shows the URL <http://hoovercity.edmodo.com/home>. The page header includes the Edmodo logo, a search bar, and navigation links for Calendar, Grades, Library, Home, Profile, and Account. The main content area is divided into three sections:

- Left Sidebar:** Features the user profile for Nancy Sherman, a list of 'Latest Posts' (Direct, By Students, Assignments), and a 'Groups' section with a search bar and a list of groups including DV Cafe, EdmodoCon 2011, Everything Matters, iPad Pals, Nook Pilot, Safari Adventurers, Safari Challengers, Safari Explorers, and School Tech Facilitators.
- Center Content:** Displays the 'Sherman's Safari Kids' group page. It includes a 'Post' section with a text input field and a 'Me to Sherman's Safari Kids' section. The main post is a poll titled 'What's your favorite Thanksgiving dessert?' with the following results:

Dessert	Percentage	Number of Votes
Pumpkin Pie	25%	3
Pecan Pie	8.33%	1
Sweet Potato Pie	0%	0
Apple Pie	25%	3
Blueberry Pie	0%	0
Chocolate Pie	0%	0
My favorite dessert isn't on the list	41.67%	5

The poll also indicates 'Total votes: 12 (Refresh)' and shows the date 'Nov 13, 2011'.
- Right Sidebar:** Contains 'Show Notifications', a 'Switch to the latest version' button, group information for 'Sherman's Safari Kids' (Group Code: v8axd7), and a 'Members (21)' section with a 'Manage' link and a grid of member avatars.
