**Summer Math Opportunity:**

HHS Summer Math Prep is a two day course designed exclusively for Hoover High students this summer who are entering Algebra 1 or any level of Geometry. Students will review information important to being successful in their upcoming math class. Rising 9th graders will also spend time getting to know the building and “learning the ropes” of being at Hoover High School. The overall goal is for students to be prepared for a successful year in math. This is our 7th year to hold these math sessions, and they fill up every year. Click the link for registration and more information.
