Parents: As we close another school year, we have an opportunity to express our appreciation to Hoover High's teachers who have worked so hard this year. Can you provide a door prize to be placed in a drawing for them on Thursday, May 25? Do you have a business for which you could provide a gift card? (Gift Cards should not exceed \$25) Do you make cool, crafty things and you could donate an item? Could you purchase a gift card for the movies, or a spa, or a car wash, or food, or that perennial favorite, Target? Please consider any of those (or any idea you have!) to provide door prizes for our teachers on this day. At schools around the country, students are talking about the Netflix series *13 Reasons Why*. The series revolves around 17-year old Hannah Baker, who takes her own life and leaves behind audio tapes for 13 people who she says in some way were part of why she killed herself. We know that many students at Hoover High School are watching and talking about the series, so we want to share some of the troubling aspects of *13 Reasons Why*. Below is information published by the National Association of School Psychologists: [13 Reasons Why Parent Information](#) Additionally, we are sharing this student-produced suicide prevention [video](#) with all HHS students to educate them on ways to seek help for themselves or their friends who have thoughts of suicide.
