

## CARBONI'S CLASSROOM RULES

**A. Respect everything and everyone in my room.** Don't talk while others are talking. Don't write on the desks. Don't leave trash on the floor. Don't get up and walk around the room without permission. Don't shout out answers.

**B. Come prepared.**

**C. Restrooms:** Please use the restroom before class starts. I will not let you leave class to use the restroom unless you can convince me your sphincters are pushing their limits. If you don't think you have time between classes then set your things down in my room and let me know you're going to the restroom. I won't count you tardy if you come back after the bell rings.

**D. Chromebook (or any device) Usage:** You may check my web page at the very beginning of class to see what the day's activities are, but after that they should be put away. If we need them during class I will tell you to get them out. If I catch you on a device when not needed (including phones) I will start by asking you to put it away. If I catch you a second time I will take it and return it at the end of class.

**E. Borrowing Calculators:** Bring an ID (student ID, driver's license, credit card, etc.) to me. I'll keep the ID until you return the calculator. You cannot borrow a calculator without an ID of some sort. This is my way of knowing who has which calculator.

## CONSEQUENCES

**1<sup>st</sup> Infraction:** Verbal Warning

**2<sup>nd</sup> Infraction:** 15 minute teacher detention and a note goes home

**3<sup>rd</sup> Infraction:** Morning school detention and I call home.

**4<sup>th</sup> Infraction:** I send you to the office

Please read over the rules and syllabus for my class and sign below. Parents, please provide an email address where I can best reach you. If you have questions or concerns I can be reached at [pcarboni@hoover.k12.al.us](mailto:pcarboni@hoover.k12.al.us).
